OFFICE OF ADMINISTRATIVE HEARINGS' RESPONSE TO COMMITTEE RECOMMENDATIONS

AGENDA ITEM 7A:

Recommendation:

To add a template on OAH's website, using visual representations, explaining all the needed parts for evidence for a due process hearing and how to present such evidence at a due process hearing.

OAH Response:

OAH will explore creating a template with visual representations for self-represented parents that explains the different types of evidence typically admitted in special education due process hearings and how to present the evidence at hearing.

AGENDA ITEM 7B:

Recommendation:

That members be notified if such a template [in Agenda Item 7a] is developed, and to be given an opportunity to provide feedback.

OAH Response:

If OAH develops a template, OAH will seek feedback from the special education community, including Special Education Advisory members.
