Fund Releases for Priority Funding Apportionments (cont.)

August 28, 2013 Apportionments
The SAB approved $19.7 million in priority funding apportionments for three projects for two school districts in August 2013. Districts that received a priority funding apportionment on August 28, 2013 were required to submit a complete Form SAB 50-05 containing an original signature by Tuesday, November 26, 2013. If the Form SAB 50-05 was not physically received at the OPSC by 5:00 p.m. on Tuesday, November 26, 2013, the project was rescinded without further SAB action and was returned to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date of November 26, 2013. As of November 15, 2013, the OPSC received two fund release requests totaling $7.1 million.

October 14, 2013 Apportionments
The SAB approved nearly $285 million in priority funding apportionments for 112 projects for 54 school districts in October 2013. Districts that received a priority funding apportionment on October 14, 2013 are required to submit a complete Form SAB 50-05 containing an original signature by Monday, January 13, 2014. If the Form SAB 50-05 is not physically received at the OPSC by 5:00 p.m. on Monday, January 13, 2014, the project will be rescinded without further SAB action and will return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date of January 13, 2014. As of November 15, 2013, the OPSC received 69 fund release requests totaling $123.7 million.

Upcoming Priority Funding Request Filing Period

The sixth Priority Funding request filing period began on Wednesday, November 13, 2013. Priority Funding requests with original signatures must be physically received by the OPSC before the close of business on Thursday, December 12, 2013. It is recommended that districts monitor any mailed letters by tracking the parcel and receiving delivery confirmation. Districts that submit valid requests for projects during this filing period will be eligible for Priority Funding apportionments from January 1, 2014 through June 30, 2014. Projects subject to the School Facility Program (SFP) Regulation Section 1859.90.3 must file requests for each priority funding round to avoid an occurrence of non-participation. For additional information, please refer to the Procedures for School Facility Program Funding under the "Priority Funding Information" accordion at www.dgs.ca.gov/opsc.

Participation in the Priority Funding Process

The OPSC reminded school districts that the regulations governing Participation in the Priority Funding Process are in effect (SFP Regulation Section 1859.90.3). The regulations only apply to new construction, modernization, and Facility Hardship replacement and rehabilitation projects on the Unfunded List (Lack of AB 55 Loans). It was noted that there are two ways for a school district to not participate in the Priority Funding Process are as follows:

1. Not submit a valid priority funding request in the 30-day filing period, or
2. Submit a valid priority funding request, but fail to submit a valid Form SAB 50-05 to request the release of funds after the SAB approved an apportionment.

The second time that either of these occurs, the funding for the project will be rescinded without further action by the SAB. When a project is rescinded, the bond authority associated with the project is returned to the respective program and may result in additional funding being available for future projects. School districts were reminded that these regulations do not apply to Charter School Facilities, Career Technical Education Facilities, or Overcrowding Relief Grant Programs projects.

EXECUTIVE OFFICER'S STATEMENT (cont.)

Green California Schools Summit & Exposition

At the November 6, 2013 Green California Schools Summit & Exposition in Pasadena, California, the OPSC hosted a roundtable discussion on the High Performance Incentive (HPI) Grant Program. It was stated that there was $38.1 million in available funding for the Program. The OPSC also provided information on how to access the Seismic Mitigation Program.

Regulations Update

HPI Grant – January 1, 2014
Regulatory amendments for the HPI Grant Program were approved by the Office of Administrative Law (OAL) on November 5, 2013 and took effect January 1, 2014. These regulations provide a mechanism for all eligible Facility Hardship projects, including Seismic Mitigation Program projects, to receive the HPI grant.

General Site Development Grant – January 1, 2014
Regulations authorizing the General Site Development grant were set to expire on January 1, 2014. The SAB took action on May 22, 2013 to extend the authority to provide the grant until December 31, 2014. The regulatory amendment was approved by the OAL on November 5, 2013 and took effect January 1, 2014.

Seismic Mitigation Program Projects – Consent

In the Consent portion of this Agenda, there were six Seismic Mitigation Program projects presented for approval. Four of these projects included requests for placement on the Unfunded List (Lack of AB 55 Loans) with State share grants totaling $3.7 million. Two of the projects were presented for conceptual approval. School districts may request conceptual approval of the project prior to having the Division of the State Architect-approved plans in order to ensure that the project meets the basic program eligibility criteria.

School Facility Program Review Sub-Committee Meetings

The School Facility Program Review Sub-Committee met on November 12, 2013 and discussed options related to future school facility needs. The next meetings were scheduled for the following dates:

- Monday, November 25, 2013
- January 2014 (TBD)

Additional meeting information, including tentative agenda topics, was posted on the OPSC Website as it became available at www.dgs.ca.gov/opsc.

REPORTS, DISCUSSION, AND INFORMATION ITEMS

Legislative Update

Mr. Juan Mireles, representing the SAB staff, presented the report to the SAB and the SAB acknowledged the report. An SAB member indicated that his bill was chaptered [Assembly Bill (AB) 308, Chapter 496, Statutes of 2013] and there were some lingering concerns that needed clarification. It was stated that Legislative Counsel provide clarifying information and once received, the SAB would ask staff to bring back a recommendation on what a program would look like consistent with the chaptered bill. Another SAB member asked how Senate Bill 584 (Chapter 167, Wyland, Statutes of 2013) would be implemented. The response was that it was unknown and would largely depend upon the State Controller to determine the extent of the SAB's involvement. The same SAB member also asked about the prequalification bill (AB 1565, Chapter 808, Statutes of 2012). The response was there was nothing the OPSC needed to do because there are certain certifications that school districts must comply with as part of submitting a funding application that covers all applicable laws for school construction, which would also include the requirements in the bill.
