EXECUTIVE OFFICER'S STATEMENT

The Executive Officer informed the Board of the following:

Emergency Repair Program

The SAB approved funding for 489 Emergency Repair Program (ERP) projects totaling $93.4 million for 54 Local Education Agencies (LEAs). Fund releases for these projects were automatically processed to the recipients. LEAs receiving an apportionment typically receive the funds four to five weeks after the SAB action. In total the State's budget provided $188.5 million to fund ERP projects. The OPSC expects the remaining amount to become available as early as October and will present additional projects to the next available SAB meeting once funds are available.

EXECUTIVE OFFICER'S STATEMENT (cont.)

Priority Funding Apportionments

The SAB apportioned $100.5 million in priority funding apportionments for 34 projects representing 21 school districts. Districts that received a priority funding apportionment on August 20, 2014 are required to submit a valid *Fund Release Authorization* (Form SAB 50-05) containing an original signature by Tuesday, November 18, 2014.

Status of Fund Releases for Priority Funding Apportionments

April 7, 2014 Apportionments
Districts that received a priority funding apportionment on April 7, 2014, were required to submit a valid *Fund Release Authorization* (Form SAB 50-05) containing an original signature by Monday, July 7, 2014. As of Monday, July 7, 2014, the OPSC received 98 Form SAB 50-05s in the amount of $357.0 million. Two projects received automatic fund releases, representing a total of $1.4 million, and did not require the submittal of Form SAB 50-05.

Five districts, representing five projects, did not submit a Form SAB 50-05. Two of them returned to the Unfunded List (Lack of AB 55 Loans) and two others received a second occurrence for non-participation in the priority funding process and were rescinded. The last district voluntarily rescinded its project. As a result, the bond authority associated with these three rescinded projects returned to the respective programs and was made available for reallocation to other projects.

Regulation Update – Participation in Priority Funding

At its March 26, 2014 meeting, the SAB approved regulatory amendments to the SFP Regulations requiring participation in the Priority Funding Process for the Career Technical Education Facilities, Charter School Facilities and Overcrowding Relief Grant Programs projects as set forth in SFP Regulation Section 1859.90.3. Based on information received from the Office of Administrative Law, the regulations will be effective on October 1, 2014.

SAB Meeting Schedule

It was stated that the OPSC was working on scheduling the next SAB meeting. Therefore, it was possible that the tentative September 24, 2014 meeting would be canceled or postponed.
