RE: Release of New 2018 SUPER Tool

The purpose of this Broadcast Bulletin is to announce the release of the New 2018 SUPER Tool.

What's New

- Updated SUPER tool and functionality
- Validation of LPA method and Contract type
- Ability to enter contracts with multiple Fiscal Years
- Updated error report log, pinpointing line of error
- New fields containing Item ID, and Take Back option

The eProcurement team will be following up with departments to deploy the new tool, providing additional training and ongoing support if necessary.
