Associated Services - Master Agreements (MAs)**

---

The Department of General Services, Procurement Division (DGS-PD) is requesting participation in a survey that will assist DGS-PD in determining the level of interest in rebidding Master Agreements under MA 5179912 for Certified Shorthand Reporters, Transcription, and other Associated Services. Participation in this survey will also provide the sourcing team insight into any changes in the current MAs that may increase participation.

The survey is available at the following link: [Customer Survey - Certified Shorthand Reporters, Transcription, and other Associated Services](#)

DGS-PD requests that PACs/PCOs distribute the survey to appropriate subject matter experts (SMEs), procurement staff, and end users who may be able to provide comments and/or suggestions to ensure that the agreement requirements will continue to meet customer needs.

**Please complete the survey by Friday, February 4, 2022.**
