GRANT PROGRAM

WCGP 002 (NEW 9/15/2022)

INSTRUCTIONS

1. Agency Name - List State of California Executive Branch Agency.
2. Department Name – State of California Executive Branch Department.
3. Title of Project(s) - Provide project titles i.e., "Sacramento Field Office Fixture Replacement".
4. DGS Project Tracking Number, for DGS use only.
5. Facility Name(s) - Name of structure or facility.
6. Type(s) of Facilities – List types of facilities included in this project (i.e., field offices, dormitory, etc.).
7. Project Location(s) - Provide Street address and city of facilities included in this project.
8. Building SPI number.
9. Estimated Start date.
10. Completion Date - Department's proposed completion date of project if funding is provided.
11. All applicable boxes should be checked for Required Disciplines. If you are contracting with one consultant such as an architect, you must still list the other disciplines (consultants) that the architect must use to produce a complete set of documents. List titles of Specialty Consultants in the Detailed Description box.
12. Construction Approach is looking for the answer of who will perform the physical work to complete the project. If "Other" is checked, include a description with the rest of the detailed scope.
13. Required AHJ Reviews must be fully indicated. The Division of the State Architect (DSA) reviews are required whenever a project changes anything related to ADA access issues including items as simple as door hardware and the placement of switches and receptacles.
14. Checking Regulations indicates that the requesting department or agency will be contracting with design consultants from outside of State service and possess the required approved regulations conforming to GC 4526. Documentation of these regulations must be provided.
15. Special Projects Consideration if Hazmat abatement will be required or demolition, these considerations must be detailed in the project description.
16. When any of the "Building Impacted Systems" boxes are checked, detail the impacts in the project description.
17. Please indicate if the current fixtures being replaced meet ADA requirements.
18. Specify the number of toilets being replaced.
19. Specify the number of urinals being replaced.
20. Specify the number of aerators being replaced.
21. Specify the number of showerheads being replaced.
22. Specify the number of leak detectors being replaced.
23. Specify the number of faucets being replaced.
24. Specify the number and type of other fixtures being replaced.
25. Number of water audits and surveys done.
26. Estimated Project Cost – Estimated total cost of work proposed in this project, including all sources (grant funding, department contribution, rebates if applicable).
27. Department contribution to the project, if any.
