

SB INFRASTRUCTURE INVESTMENT AND JOBS ACT (IIJA)**PARTICIPATION EXEMPTION**

STD 810Ae (New 4/2024)

SB Infrastructure Investment and Jobs Act (IIJA) Participation Exemption

Use this form to request an exemption of the California Small Business Program Participation Requirements for a contract for the construction, alteration, demolition, or improvement of the state's infrastructure that is funded with proceeds from the federal Infrastructure Investment and Jobs Act (IIJA), established by Assembly Bill (AB) 2974, Chapter 600, Stats. of 2022. Submit one form per contract. For additional information, see the State Contracting Manual (SCM), Volume 2, Chapter 13, Section 1302.

Section 1: Department Information

Department Name (Includes Agencies, Boards, Commissions, and Associations)

Section 2: Solicitation and Department Contact Information

Procurement Identifier(s) (e.g. Solicitation/Contract number, contract amount, etc.)

Contact name

Business Street Address

Business Mailing Address (If different from street address)

Business Phone

Business Fax

Business Email

Section 3: Justification For Exemption

The department requests this exemption per one of the following determinations:

- 1) The federal requirements preclude California small business procurement participation.
- 2) The bid issued is required to include a disadvantaged business enterprise procurement participation requirement.
- 3) The procurement is pursuant to Government Code § 14838.1(c)(3).

The Department of Transportation may make a determination that a class or category of contracts is exempt from the California small business procurement participation requirements pursuant to Government Code § 14838.1(h).

Section 4: Exemption Explanation

Reason(s) for excluding the California SB Program Participation Requirements:
