SB/DVBE First Policy

What it is:

- Formal policy adopted by each department that requires the use of the SB/DVBE Option unless a waiver is granted
- Templates available to assist you

SB/DVBE First Policy

Benefits:

- Simplifies procurement - less work for you!
- Acquire goods/services more quickly and efficiently
- Helps you to meet the 25% and 3% requirements
- Grow your network of SB/DVBE business contacts
- Supports California's economy

Utilizing SB/DVBE Option

What it is:

- Streamlined procurement process to help increase SB/DVBE contracting participation
- Allows departments to contract directly with SB/DVBE for products/services valued between \$5,000.01 to \$249,999 and for Public Works between \$5,000.01 to \$388,000

Utilizing SB/DVBE Option

Benefits:

- Acquire goods/services more quickly and efficiently
- Allows you to meet the 25% and 3% requirements
- Increases opportunities to SB/DVBEs

AB 1574

- This new legislation that went into effect January 1, 2022
- Includes new requirement “to expand the pool of small businesses and microbusinesses that participate in the department’s and other state agencies’ contracts by regularly seeking out and identifying small businesses and microbusinesses that have not previously done business with your department or other state agency or that are not regularly used by the department or state agency.”
- The SB/DVBE First Policy/Option is a great way to do this!

SB/DVBE Emergency Registry

What is the SB/DVBE Emergency Registry?

- A dedicated portal for California certified businesses to register as a supplier of emergency goods and services.
- Unlike Cal eProcure, this portal will only include businesses that provide goods and services from predetermined emergency categories.
- State department buyers can access and search this pool of suppliers.

SB/DVBE Emergency Registry

What are the benefits of the SB/DVBE Emergency Registry:

- Allows state departments to quickly identify certified businesses who are ready and able to provide goods and services during an emergency.
- Buyers can easily search the registry for certified businesses using the following search terms:
 - Certification Type
 - County
 - Emergency Category
 - Keywords
 - City

SB/DVBE Emergency Registry

Which businesses are invited to sign up?

- SB/DVBE businesses who are currently ready and able to support the state of California in an emergency.
- Emergency contracting requires fast, around-the-clock turnaround times - a business should not register unless they are fully capable of immediately providing the goods and/or services they list.

SB/DVBE Emergency Registry

Which state employees should request access?

- SB/DVBE Advocates
- Any state buyers/procurement staff who may do emergency procurements or non-emergency procurements in emergency categories

SB/DVBE Emergency Registry – Buyer Access

- Buyers must register within the DGS Shared Services portal to get access to the Emergency Registry Search Portal
- In order to be granted search access buyers will need:
 - Contact information: state department email, phone, department address
 - Supervisor contact information

State Department Registration Process

Part 1: Register in the DGS Shared Services Portal

Step 1:

Go to the DGS Shared Services Portal

Step 2:

Click Register Here, located under the log-in section, to create a log-in.

State Department Registration Process

Step 3:

Enter the required information.

Step 4:

Check your registered email box, you will receive two emails: the first confirms your email and the second directs you to create a password.

Step 5:

Create new password.

The screenshot shows the 'DGS Shared Services Portal' registration page. The header includes the DGS logo, the portal name, and links for 'Privacy Notice' and 'Log in'. The main form is titled 'Shared Service Portal Registration' and contains several input fields with red asterisks indicating required information: 'First name', 'Last name', 'Email' (with an envelope icon), 'Re-Enter Email' (with an envelope icon), 'Business Phone', 'Extension', 'Organization Name', and 'Title'. To the right of the form is a 'Submit' button and a 'Required information' section with red boxes listing: 'First name', 'Last name', 'Email', 'Re-Enter Email', 'Business Phone', 'Organization Name', and 'Title'.

Part 2 : Submit State Department Profile in SB/DVBE Emergency Registry – Buyer Access

Step 1:

Log-in to the DGS Shared Services Portal

Step 2:

Click SB/DVBE Emergency Registry

Step 3: Click Buyer Access

The screenshot shows the DGS Shared Services Portal interface. At the top, there is a blue header with the DGS logo, the text "DGS Shared Services Portal", and a "Privacy Notice" link. Below the header is a breadcrumb trail: "Home > DGS SSP Catalog > SB/DVBE Emergency Registry". On the left side, there is a "Categories" sidebar with a list of items: "Access Request" (2), "Forms" (1), "Purchasing" (7), and "SB/DVBE Emergency Registry" (2). The "SB/DVBE Emergency Registry" item is highlighted with a blue border. The main content area is titled "SB/DVBE Emergency Registry" and contains two cards. The first card is titled "Buyer Access" and features a red icon of a person with a plus sign. It includes the text "Request access to Emergency Registry Buyer Catalog" and a "View Details" button. The second card is titled "Supplier Registration" and features a red icon of a sun rising over a checklist. It includes the text "Request access to Emergency Registry Supplier Registration" and a "View Details" button.

State Department Registration Process

Step 4: Enter in the required information. Review your information. Click Submit.

Your Submission is complete. You will receive an email with the status of your request. Upon approved, you can begin to access the SB/DVBE Emergency Registry.

The screenshot shows the 'Buyer Access' registration form on the DGS Shared Services Portal. The form is titled 'Buyer Access' and includes a sub-header 'Request access to Emergency Registry Buyer Catalog'. A red circular icon with a white 'P' and a red arrow is displayed. The form contains several sections: 'Buyer Information' with a 'Buyer Name' field; 'Buyer Address Information' with fields for 'Department Name', 'Department address', 'County', 'City', 'Work Email Address', and 'Zip'; 'Supervisor Information' with fields for 'Supervisor Email Address' and 'Supervisor Phone Number'; and an 'Additional Comments' section. A 'Submit' button is located at the top right. A disclaimer at the bottom states: 'Disclaimer: By submitting this information I request access to all items associated with the Emergency Registry Buyer Portal. DGS staff reserve the right to reject or approve my application.' A 'Privacy Notice' link is in the top right corner, and an 'Add attachments' link is at the bottom right.

Leveraged Procurement Agreements

- The Acquisitions branch establishes Leveraged Procurement Agreements (LPAs) for commonly purchased goods and services.
- LPAs leverage the state's buying power and simplify the procurement process for state departments and local government entities.

Leveraged Procurement Agreements

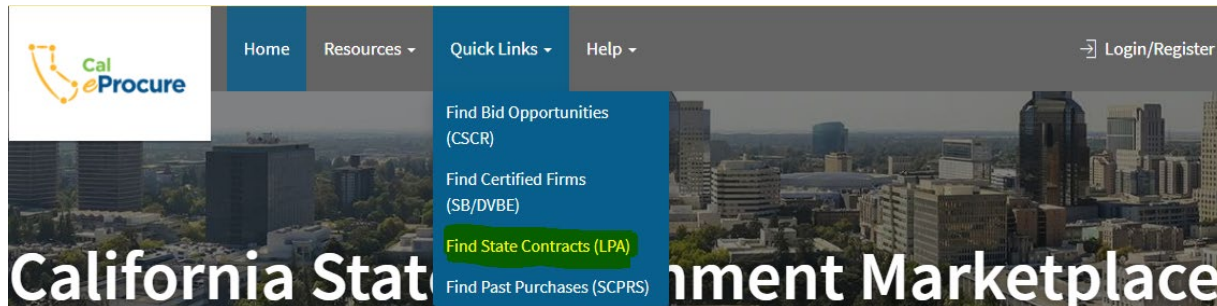

Finding LPAs

- State Contracts Index Listing contains high level contract information for each contract, including links to the Cal eProcure LPA details page.
 - Located on the DGS-PD home page:

Statewide Contracts

- Offers non-IT goods and IT goods and services
- Established through a competitive bidding process
- Reduces the need for individual departments to conduct repetitive bids for like products
- Most are mandatory for state departments and available for use by local government entities
- Solicitations include small business preference and DVBE incentives to increase participation
- SB/DVBE offramp provision may be included in resulting contracts

Multiple Awards Program Section (MAPS) Overview

- The Multiple Awards Program Section consists of four programs:
 - California Multiple Award Schedules (CMAS)
 - Master Agreements (MAs)
 - Software Licensing Program (SLP)
 - Cooperative Agreements

California Multiple Award Schedules (CMAS)

- Streamlined procurement process based on pricing from federal GSA schedules and other multiple award contracts where pricing has been deemed fair, reasonable, and competitive.
- Suppliers do not need their own GSA schedule or base contract. They may piggyback on another company's schedule/contract.
- Non-IT commodities, non-IT services, and IT goods and services may be offered through CMAS.

CMAS Awarded to SB & DVBE Suppliers

Percentage of all CMAS awarded to SB 49.96%

false = 1,194 (50.04%) true = 1,192 (49.96%)

Percentage of all CMAS awarded to DVBE 5.36%

false = 2,258 (94.64%) true = 128 (5.36%)

As of 3/08/2022

Advantages for Certified SB & DVBE Companies

- State agencies must consider offers from certified SB and/or certified DVBE, when available.
- DGS bills State agencies for CMAS transactions. Sales to California certified small business enterprises are exempt from the DGS administrative fee.
- CMAS charges an incentive fee to suppliers for local government sales (counties, cities, K-12 schools, community colleges, etc.). CMAS waives the incentive fee for California certified small business enterprises.

CMAS Portal

- Portal went live on February 1, 2021.
- Improved the CMAS application process and made it even easier. Current processing time is averaging 3-5 days.
- Eco friendly. We have eliminated all paper from our processes.
- Eliminated many of the deficiencies we typically saw in the paper applications.
- Quarterly reports can be submitted through the portal and payments may be made via credit/debit card or electronic check.
- Multiple users for a company can be added to the portal allowing for different users to have different rolls and permissions.

Master Agreements

- Master Agreements (MAs) are competitively bid contracts available to any agency that expends public funds.
- Prequalified list of vendors.
- Simplify the purchasing process for the end user.
- Offers both IT and Non-IT MAs.
 - Primarily services
- User Agencies may be required to conduct Request For Offers (RFOs) from awarded Suppliers.

Software Licensing Program (SLP)

- The SLP was established in January 1994.
- Software discounts are negotiated with major software publishers then passed on to the State, through the SLP contracts established with authorized participating re-sellers.
- SLP agreements are established to reduce the need for individual departments to conduct repetitive acquisitions for proprietary software licenses and software upgrades while taking advantage of the large volume discounts offered by the software publishers.

Software Licensing Program (SLP)

- SLP agreements consist of Software, Maintenance & Support, Implementation, Training, Installation, SaaS.
- The following Categories are available on SLP: Software, Maintenance, Support, SaaS/Cloud, Implementation Services, Installation, Training, IaaS/PaaS.
- Standalone Hardware, Consulting, Standalone Training and Standalone Installation Services are not available under the SLP.
- To use, departments solicit a minimum of three (3) contractors. Award is based upon lowest cost or best value, determined by departments need.

Cooperative Agreements

- DGS-PD partners with purchasing consortiums, such as the National Association of State Procurement Officials (NASPO), to establish cooperative agreements for California state and local agencies to use.
- Cooperative agreements are based on master agreements established by a lead entity, which are written, solicited and executed under that lead entity's procurement rules.
- Offers Non-IT commodities, non-IT services, and IT goods and services.
