Submit completed PACR and all necessary attachments to PAMS@dgs.ca.gov.

STATEMENT OF COMMITMENT
Procurement and Contracting Officer

I, _____ **Procurement and Contracting Officer (PCO) for the state agency named below, state my understanding and commitment to the following:**

- 1. Serve as the Agency Officer:** The PCO shall fulfill the agency officer requirement identified in Public Contract Code (PCC) sections 10333(a)(1) and 10351(a)(1).

The PCO duties are as follows:

- a. Directly responsible and accountable for the state agency's purchasing and contracting program.
- b. Provides executive management support of all IT/non-IT procurement/contracting activities conducted under the authority granted by the Department of General Services (DGS).
- c. Acts as the single point of contact for the DGS on procurement/contracting matters.
- d. Responsible for all internal purchasing authority that is sub-delegated to institutions, centers, offices, associations within the state agency.
- e. Review and approve the state agency's request(s) for changes to purchasing authority (such as requests to increase dollar thresholds) prior to submission to the DGS/Procurement Division (PD) Purchasing Authority Unit (PAU).
- f. Report data to the DGS/PD as required and in accordance with applicable laws, policy, and procedures.
- g. Responsible for monitoring the state agency's progress in meeting and/or exceeding the purchasing authority standards and for the continuous improvement of the state agency's purchasing and contracting program.
- h. The Purchasing Authority Contacts (PACs) for IT/non-IT procurement/contracting activities must report directly to the PCO. Exceptions to this reporting structure are rare and shall be granted on a case by case basis by the supervisor of the DGS/PD/PAU.
- i. The PCO shall ensure that the procurement and contracting program is properly staffed and that the various roles are identified in the State Contracts Manual (SCM).
- j. The PCO shall ensure that a clear separation of duties exist for staff involved in procurement and contracting activities and that staff are free from conflicts of interest.

- 2. Ensure that procurement professionals and other appropriate staff are kept informed:**

The PCO shall distribute DGS procurement/contracting directives to appropriate staff and as such subscribe to receive the following (at minimum):

- a. Procurement Division Broadcast Bulletins
- b. Management Memos and State Administrative Manual (SAM) updates
- c. Governor's Executive Orders

The PCO also shall sign up to receive information regarding the PD Customer Forums and the State Contracting Advisory Network (SCAN). The PCO should either plan on attending these informational meetings or send procurement staff.

- 3. Approve the designation of individuals authorized to conduct acquisitions and sign and execute contracts and purchase documents:**

The PCO shall implement policies and procedures as well as maintain a list of all state agency staff with authority to conduct various types of acquisitions. In addition, the PCO shall implement policy, approve and maintain a list of individuals that are authorized to execute contracts and purchase documents (aka "signature authority").

The designation of individuals authorized to conduct various types of acquisitions shall be based on the individual's position, experience, and training California Procurement and Contracting Academy (Cal-PCA) certification level and workshops taken.

- 4. Training:** In order for the state agency to maintain its approved levels of purchasing authority, the PCO agrees to take appropriate training classes and ensure that all procurement and contracting professionals and appropriate staff are trained and Cal-PCA certified at the levels appropriate to the state agency's purchasing authority. The PCO acknowledges that specific workshops and/or web-based training offered by the DGS may be required depending on the types and dollar levels of purchasing authority granted and/or requested. The PCO agrees to approve and implement policy on training.

- 5. Procurement and Contracting Laws, Policies and Procedures:** The PCO shall ensure the state agency's adherence to and compliance with applicable procurement and contracting laws, as well as policies and procedures contained in the SCM 2, 3 and F, Executive Orders, PD Broadcast Bulletins, State Administrative Manual (SAM), and Management Memos. The PCO shall ensure that the state agency creates and maintains current procurement and contracting policies and procedures for IT/non-IT procurement. These policies and procedures shall be written to comply with PCC 10333 and policy contained in the SCM manuals. The PCO shall be responsible for ensuring state agency compliance with these internal and DGS required procurement policies and procedures.
- 6. Audits and Reviews:** The PCO is responsible for quality assurance and shall ensure, to the best of their ability, all procurement and contracting activities conducted by the state agency fully comply with State law, appropriations, regulations, SCM's, Executive Orders, PD Broadcast Bulletins, State Administrative Manual (SAM), Management Memos (MM) and other State and state agency policies and procedures for any and all IT/non-IT goods and services procurements. The PCO shall ensure that any documents related to procurement and contracting activities are made available for review and inspection by DGS upon request. The state agency's PCO shall provide a response to any DGS inquiries, deficiencies, and/or audit findings as requested. DGS will conduct random audits and reviews of the state agency's procurement and contracting activities, including non-IT service contracts. The PCO shall ensure that internal policies exist for auditing purchasing activities. The PCO may be required to work with internal auditors to conduct and submit the results of the state agency's internal audits to DGS as required. The PCO shall ensure management review of internal and external audits.
- 7. CAL-Card Program:** The PCO is responsible for their state agency's CAL-Card Program and accountable for acquisitions where CAL-Card is used as a payment. The PCO is required to take all necessary steps to ensure that the CAL-Card Program within their state agency meets DGS procurement rules and standards, including but not limited to, designating a CAL-Card administrator, creating a state agency CAL-Card manual for use by state agency staff, ensuring that individuals involved in the acquisition and CAL-Card processes are experienced and trained not only in CAL-Card procedures but also in procurement and contracting practices. Authority to use a CAL-Card will be based on an individual's position, experience, and training (Cal-PCA certification level and workshops taken).
- 8. Mission Critical Statement:** By signing this Statement of Commitment, I certify that only mission critical contracts/procurements will be executed under the purchasing authority granted to my state agency by the DGS/PD. Furthermore, I certify that only mission critical transactions (such as: NCB justifications, contract approvals, and acquisitions to be conducted by the DGS) will be sent to the DGS.

The signature below certifies that the PCO has read and agrees to the terms and conditions herein.

The PCO must be at the level as described in SCM F, Ch. 1, 1.A3.1.

STATEMENT OF COMMITMENT
Purchasing Authority Contact

I, _____ the Purchasing Authority Contact (PAC) for the state agency named below, state my understanding and commitment to the following:

1. Interface with Procurement and Contracting Staff:

The PAC duties are as follows:

Directly responsible and accountable to interface and communicate with the Department of General Services/Procurement Division (DGS/PD), the state agency's Procurement and Contracting Officer (PCO), and subordinate staff while overseeing the day-to-day procurement activities conducted under the state agency's delegated purchasing authority.

2. Training and Certification of Procurement and Contracting Staff: To maintain the state agency's approved purchasing authority, the PAC agrees to take appropriate training classes and ensure that all procurement and contracting staff are trained and certified by California Procurement and Contracting Academy (Cal-PCA). Training shall include all phases of procurement and contracting, including conducting competitive procurements and using Leveraged Procurement Agreements (LPA).

3. Purchasing Authority Program: The PAC agrees to be accountable and responsible for all procurement activities conducted under the state agency's purchasing authority including any sub-delegated purchasing authority within the state agency. If the state agency is required to designate a small business advocate, the PAC agrees to coordinate procurement activities with the state agency's small business advocate. PAC will ensure that the state agency's policies and procedures are consistent with current law, regulations, executive orders, policies, procedures, best practices, and the State Contracting Manuals (SCM) 2, 3 and F. This includes distributing or making procurement staff aware of all (SCM) revisions, Executive Orders, PD Broadcast Bulletins, State Administrative Manual (SAM), and Managements Memo updates.

4. Procurement Standards and Purchasing Program Audits and Reviews: DGS shall conduct audits and reviews of the state agency's procurement and contracting activities, including non-IT services contracts under certain LPA's. The PAC is responsible for providing the state agency's response to any DGS inquiries, deficiencies, and/or audit findings. The PAC is also responsible for monitoring the state agency's progress in meeting and/or exceeding the standards and for the continuous improvement of the state agency's purchasing and contracting program, including the use of LPAs (i.e. CMAS, Master Agreements, Statewide Contracts, State Price Schedules, and Cooperative Agreements.)

5. CAL-Card Program: The PAC agrees to take all necessary steps to ensure that their state agency's CAL-Card program meets DGS standards including, but not limited to, designating a CAL-Card administrator and, creating a state agency CAL-Card manual for use by state agency staff. The PAC agrees to ensure that individuals involved in the acquisition and CAL-Card processes are experienced and trained not only in CAL-Card procedures but also in procurement and contracting procedures. The PAC shall inform the state agency's CAL-Card administrator of purchasing authority requirements. Authority to use a CAL-Card shall be based on an individual's position, experience, and training (Cal-PCA certification level and workshops taken).

Signatures below certify that the PCO and PAC(s) have read and agree with terms and conditions included in the Statement of Commitment (Attachments 1 and 2).

The PAC must be at the level as described in SCM F, Ch. 1, 1.A3.1.

PURCHASE AUTHORITY INCREASE JUSTIFICATION
Attachment 3

PURCHASING AUTHORITY INCREASE JUSTIFICATION

The state agency shall provide response(s) to justify the purchasing authority increase request (general, transaction-based, or emergency purchase (non-natural disaster)). Refer to the State Contracting Manual Volumes 2, 3 and F, Chapter 1, Purchasing Authority, and applicable SCM sections for additional information.

Provide thorough and complete responses or this request may be returned unapproved.

A. GENERAL INCREASE	
1	State agency shall be accredited by DGS, Purchasing Authority Unit (PAU) or received a notification for participation on the accreditation process before submitting a Purchasing Authority Increase Request (PAIR). Accreditation Date:_____ or, Notification Date:_____
2	State agency shall provide a business justification to illustrate why existing purchasing authority (PA) levels do not meet current business needs for acquiring goods and services. Existing PA Tier:_____ Requested PA Tier:_____
3	State agency shall provide a list of all anticipated procurements that will be conducted under the requested PA Tier for the next twelve-month period.
4	State agency shall provide written a response to describe what organizational changes are in place to support the requested general increase and address each of the following: a. The state agency's desk procedures manual is provided to PAU and is updated to include the policies and procedures which are applicable to the acquisition types for the increased dollar thresholds, and also includes the state agency's internal approval process for the requested procurement increase. b. The state agency's procurement staff is fully trained internally and/or through DGS Cal-PCA training. c. The state agency's procurement staff has experience conducting procurement for the acquisition method/s and at the dollar threshold requested. d. Does your state agency have in-house counsel trained in state contract law that will review and approve procurements, contracts and other approval documents (NCB's, SLP's, and LTB's)? If so, provide the steps to the state agency's legal review process in the included desk procedures manual discussed above. e. Does your state agency have an internal audit or assessment process? If so, submit to PAU a dated copy of your last audit. If the audit noted findings/deficiencies, please indicate what corrective action(s) was taken.
5	If applicable, state agency has approval from California Office of Emergency Services (OES) to use the 1122 Program. State agency requests to add or increase PA for 1122 Program (acquisition method). State agency shall include the OES Approval. OES Approval Date:_____ Existing Tier:_____ Dollar Amount:_____

B. TRANSACTION-BASED INCREASE

6	The state agency shall submit a justification explaining why the selected acquisition method (e.g. CMAS) makes good business sense as opposed to other acquisition methods such as conducting the procurement competitively in the open market. Justification shall include the following: <ul style="list-style-type: none"> a. Solicitation package (i.e., RFO, evaluation methodology, bidders list, etc.). b. What kind of peer review was done to ensure solicitation includes all pertinent information? c. The designated procurement contact person and the contact is identified in the solicitation. d. A description of the procurement (non-IT goods/IT goods and services) (i.e., servers, application software, and consulting services). e. Justification for contracting out (GC 19130 – services only). f. Any pre-procurement approvals required for the acquisition (i.e. CDT, NCB, or LTB). g. Contract management team (if applicable)
7	If applicable, the state agency shall include a copy of the OES approval letter to use the 1122 Program.

C. TRANSACTION-BASED INCREASE (FOR IT ACQUISITIONS ONLY, INCLUDE ITEMS FROM B. ABOVE):

8	If applicable, state agency shall contact California Department of Technology (CDT) to check if IT services are offered by CDT. Contact Date: _____ Service Offered: _____ (If yes, state agency shall provide explanation for not using CDT services.)
9	If applicable, state agency shall provide response(s) to procurements related to a reportable IT project. <ul style="list-style-type: none"> a. Is the reportable project in the Project Approval Lifecycle (PAL) (formerly Feasibility Study Report (FSR) approval letter) system? If so, then provide the PAL tracking number. b. What is the IT Project Oversight and Consulting Division (ITPOC) project risk/criticality rating (low-medium-high)? Submit risk analysis document. c. Have all required project approvals been received? (i.e. CDT, and Department of Finance (DOF)). d. Did CDT delegate this procurement to your state agency? e. Does the purchase need to be financed? If so, have you contacted G\$mart program administrator? f. Submit IT Project Submittal and Approval Exclusions—SAM 4819.32. Reference exclusion (if applicable).
10	Submit Certification of Compliance with IT Policies—required form provided in SIMM 71B.

D. EMERGENCY PURCHASE (NON-NATURAL DISASTER) (EXCEEDING PURCHASING AUTHORITY)

11	State agency shall provide details on the proposed procurement (contract/purchase order), including procurement documentation (e.g. quotes).
12	State agency shall provide details on the circumstances of the emergency and cite the legal reference.
13	State agency shall provide details on the consequences if this request is not approved and why an alternate acquisition method is not feasible.
14	State agency shall provide details on why the price is considered fair and reasonable.
