STATE OF CALIFORNIA

In the Matter of:	
PARENT ON BEHALF OF STUDENT,	OAH Case No. 2017010512
v.	ORDER FINDING STUDENT'S COMPLAINT SUFFICIENT
EVERGREEN SCHOOL DISTRICT.	

On January 18, 2017, Student filed a due process hearing request[1] (complaint) with the Office of Administrative Hearings naming Evergreen School District. On January 24, 2017, District timely filed a notice of insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. (*Alexandra R. ex rel. Burke v. Brookline School Dist.* (D.N.H., Sept. 10, 2009,

[1] A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 U.S.C. section 1415(b)(7)(A).

DISCUSSION

The facts alleged in Student's complaint are sufficient to put District on notice of the issues forming the basis of the complaint. Student alleges that Parent requested that Student be assessed for special education or Section 504 eligibility, but that District failed to conduct appropriate assessments. Student further alleges that District discounted Parent's reports of how Student's mental health issues impacted Student's academic performance, and attributed Student's difficulties to her absences from school. According to the complaint, Parent was not provided with information sufficiently prior to the individualized education program team meeting to participate meaningfully in the meeting, and Student was not found eligible for special education. As remedies, Student seeks special education eligibility, and evaluations focused on Student's mental health and assistive technology.

Student's complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Student's references to Section 504 in the complaint do not render the claims insufficient to place District on notice that Student is also raising claims under the IDEA.

Therefore, Student's statement of the claims is sufficient.

A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student has met the statutorily required standard of stating a resolution to the extent known and available to her at the time.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
