OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:	
PARENT ON BEHALF OF STUDENT,	OAH Case No. 2016100202
v.	ORDER OF DETERMINATION OF SUFFICIENCY OF DUE PROCESS COMPLAINT
IRVINE UNIFIED SCHOOL DISTRICT.	

On October 5, 2016, Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Irvine Unified School District. On October 7, 2016, District filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

The complaint is deemed sufficient unless a party notifies the Office of Administrative Hearings and the other party in writing within 15 days of receiving the complaint that the party believes the complaint has not met the notice requirements. (20 U.S.C. § 1415(c)(2)(C); Ed. Code, § 56502, subd. (d)(1).)

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and

mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. DISCUSSION

Student's complaint contains two issues, which contends that District denied Student a FAPE by failing to implement services recommended by a non-public agency and failed to offer adequate behavioral services to Student. Student's complaint fails to allege sufficient facts because Student does not provide the general time period when the alleged denial of FAPE occurred and when the individualized education program team meeting at issue occurred. Therefore, Student failed to allege sufficient facts to put District on notice as to the issues for hearing.

Among Student's proposed resolutions is that District provide Student with compensatory education and reimburse Parents for privately obtained services. A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) The proposed resolutions stated in Student's complaint are well-defined requests that meet the statutorily required standard of stating a resolution to the extent known and available to Student at the time.

ORDER

1. Student's complaint is insufficiently pled under section title 20 United States Code 1415(c)(2)(D).

2. Student shall be permitted to file an amended complaint under title 20 United States Code section 1415(c)(2)(E)(i)(II).[2]

3. The amended complaint shall comply with the requirements of title 20 U.S.C. section 1415(b)(7)(A)(ii), and shall be filed not later than 14 days from the date of this order.

4. If Student fails to file a timely amended complaint, the complaint will be dismissed.

5. All dates previously set in this matter are vacated.
