BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:	
PARENT ON BEHALF OF STUDENT,	OAH CASE NO. 2012100025
v.	ORDER RE EXHIBITS
ACALANES UNION HIGH SCHOOL DISTRICT.	

On March 7, 2013, the last day of the due process hearing in this matter, the undersigned Administrative Law Judge (ALJ) ordered the parties to provide the Office of Administrative Hearings (OAH) with a recording of the last 10 minutes of testimony of a witness on February 15, 2013, because the OAH recording device malfunctioned.[1] Both attorneys agreed to do so, on the record. A written order was issued on March 22, 2013, confirming this verbal order.

On March 27, 2019, the District's attorney sent a flash drive with the last 16 minutes she recorded on February 15, 2013. Based on the ALJ's review of her notes from February 15, 2013, and her recollection, the flash drive recording is accurate. It has been marked as an exhibit (D-99), but not admitted, nor will it be transcribed as it is not an official record.

Student's attorney did not provide OAH with a copy of the last portion of the hearing she recorded on February 15, 2013. The record in this matter closed when the Decision of the ALJ was issued on May 2, 2013. No further action will be taken by OAH

Dated: June 3, 2013
