OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

PARENTS ON BEHALF OF STUDENT,

V.

VISTA OAKS CHARTER SCHOOL.

OAH CASE NUMBER 2026050648

ORDER FOLLOWING PREHEARING CONFERENCE FOR HEARING BY VIDEOCONFERENCE AND DENYING MOTION TO CONTINUE THE DUE PROCESS HEARING

JUNE 19, 2026

On June 19, 2026, Administrative Law Judge Sabrina Kong, Office of Administrative Hearings, held a prehearing conference by videoconference. The Administrative Law Judge is called an ALJ. The Office of Administrative Hearings is called OAH. The prehearing conference is called a PHC.

Parent appeared on Student's behalf. Attorney Debra Ferdman appeared on Vista Oaks Charter School's, called Vista, behalf. The PHC was recorded. Based upon discussion with the parties, the ALJ issues the following order.

VISTA'S MOTION TO CONTINUE IS DENIED

Student filed the due process complaint on May 14, 2026. On June 12, 2026, Vista filed a request to continue the hearing from the week of June 30, 2026, to the week of July 21, 2026. Vista supported its continuance request with a declaration under the penalty of perjury from Attorney Ferdman who represented that Vista had another prior filed case, OAH case 2026021021, with another child of the self-represented Parents in this case, set for hearing the week of July 7, 2026. Based on the estimates of the parties, the current case will likely run into the week of July 7, 2026, causing the prior filed case which had been continued multiple times to be continued again. Vista argued that good cause for a continuance exists because this is a first continuance request, the current case was recently filed, and the Student has not yet been found eligible for special education.

On June 15, 2026, Parent opposed the continuance stating that they do not wish to delay hearing in this case.

A due process hearing must be conducted, and a decision rendered within 45 days of receipt of the due process notice unless an extension is granted for good cause. (34 C.F.R. § 300.515(a) & (c) (2006); Ed. Code, §§ 56502, subd. (f), 56505, subd. (f)(3); Cal. Code Regs., tit. 1, § 1020.) As a result, continuances are disfavored. Good cause may include:

- the unavailability of a party, counsel, or an essential witness due to death, illness or other excusable circumstances;
- substitution of an attorney when the substitution is required in the interests of justice;

- a party's excused inability to obtain essential testimony or other material evidence despite diligent efforts; or
- another significant, unanticipated change in the status of the case as a result of which the case is not ready for hearing.

(Ed. Code, § 56505, subd. (f)(3); Cal. Rules of Court, rule 3.1332(c).)

OAH considers all relevant facts and circumstances, including:

- the proximity of the hearing date;
- previous continuances or delays;
- the length of continuance requested;
- the availability of other means to address the problem giving rise to the request;
- prejudice to a party or witness as a result of a continuance;
- the impact of granting a continuance on other pending hearings;
- whether trial counsel is engaged in another trial;
- whether the parties have stipulated to a continuance; and
- whether the interests of justice are served by the continuance or imposing conditions on the continuance; and any other relevant fact or circumstance.

(Cal. Rules of Court, rule 3.1332(d).)

Vista did not show good cause to continue hearing in this case. The current case is scheduled to begin June 30, 2026, while the prior case is set to start on a later date. Despite Vista's arguments that the 2026021021 case involved a child that has already been found eligible for special education and should take precedence. Vista did not cite to any law prioritizing a child who is already eligible for special education over one who

has not been found eligible. Therefore, Vista's argument that the current case should be delayed to allow the other case to proceed first is unsupported and unpersuasive.

The ALJ explained that because OAH case number 2026021021 is a prior filed case, OAH would consider continuing this recently filed case to after hearing on the prior filed case, if Parents and Vista agreed. Parent stated she would like the hearing in this case to proceed as scheduled. Therefore, absent good cause and agreement to continue the hearing in this case, Vista's motion to continue hearing is denied.

HEARING DATES, TIMES, AND LOCATION

DUE PROCESS HEARING

The hearing will take place on June 30, July 1 and 2, 2026, and continue day to day at the discretion of the ALJ. The hearing shall begin at 9:30 AM each day and generally end at 3:30 PM, unless otherwise ordered. The parties anticipate it will take eight days to complete the hearing. Additional hearing dates will be discussed with the ALJ during the hearing.

HEARING LOCATION

OAH is authorized to conduct due process hearings by videoconference or telephone. (Cal. Code Regs., tit. 5, § 3082, subd. (g).) OAH will conduct the due process hearing by videoconference using the Zoom application. Unless otherwise ordered, participants are required to appear by videoconference using computer or device with video capability and Zoom.

The parties shall immediately notify all potential witnesses of the hearing dates and shall subpoena witnesses, if necessary, to ensure that the witnesses will appear to testify. A party's failure to notify or subpoena a witness to testify will not be considered

good cause to continue the hearing. Instructions for issuing and responding to subpoenas and optional forms for subpoenas can be found on the website at https://www.dgs.ca.gov/OAH/Case-Types/Special-Education/Forms/Subpoenas?search=special%20education%20subpoena.

ISSUES AND PROPOSED RESOLUTIONS

A free appropriate public education is called a FAPE. An individualized education program is called an IEP. The issues at the due process hearing, and proposed resolutions, as alleged in the complaint and clarified by the parties and the ALJ during the PHC are:

ISSUES

1. Did Vista fail in its child find obligations from May 14, 2024 to May 14, 2026, by failing to find Student eligible for special education under the category of autism?
2. Did Vista deny Student a FAPE by predetermining that Student did not qualify for special education at the March 10, 2025 meeting?
3. Did Vista deny Student a FAPE by failing to conduct an appropriate

March 6, 2025 psychoeducational assessment?

4. Did Vista deny Student a FAPE by failing to offer intensive math interventions, writing supports, and speech language supports, at the March 10, 2025 meeting?
5. Did Vista deny Student a FAPE by failing to offer independent educational evaluations in psychoeducation, academics and speech language in response to Parents' April 2026 request, or timely file for due process?

A party must immediately file written objections with OAH and serve the filing on the opposing party if the above issues do not reflect the party's understanding of the issues clarified, and agreed to, at the PHC. The ALJ will address any objections on the first day of hearing.

PROPOSED RESOLUTIONS

The resolutions requested by Student include finding Student eligible for special education under the category of autism and that Vista fund independent educational evaluations.

Vista filed its response to Student's complaint on May 26, 2026. (*M.C. v. Antelope Valley Union High School Dist.* (9th Cir. 2017) 858 F.3d 1189, 1199-1200.)

EXHIBITS

The parties shall serve their exhibits on each other in compliance with Education Code section 56505, subdivision (e)(7). The parties shall upload their exhibits electronically according to the Order Setting Procedures for Filing Exhibits Electronically. Timely uploading electronic hearing exhibits five business days before the first day of hearing constitutes that party's timely exchange of evidence in compliance with

Education Code section 56505, subdivision (e)(7). If further assistance is needed, please contact OAH at OAHSEOps@dgs.ca.gov.

Except for good cause shown, or unless used solely for rebuttal or impeachment, any exhibit not timely exchanged as required by Education Code section 56505, subdivision (e)(7) shall not be admitted into evidence at the hearing unless the ALJ rules that it is admissible.

IDENTIFYING EXHIBITS AND PAGE NUMBERS

Each exhibit must be identified by a letter and number. Student must use the letter S before the number to identify Student's exhibits. Vista must use the letter D before the number to identify Vista's exhibits. For example, S-1 means Student's exhibit 1 and D-1 means Vista's exhibit 1. A cover sheet with this identifying letter and number should be the first page of each exhibit. The electronic evidence program will automatically number the exhibits and additional page numbering or bates stamping should not be added.

CONTENT

Each exhibit must consist of one document. Separate documents may not be combined into one exhibit. Emails or letters may be consolidated into one exhibit if they are part of a single chain of messages. Exhibits should be in chronological order.

Parties should include resumes or curriculum vitae for each witness expected to testify as an expert.

Vista's exhibits must include a copy of the school calendar for each school year in question.

Electronic copies of exhibits filed with OAH shall be filed by 5:00 PM at least five business days before the first day of hearing. Please refer to the General Order OAH issued with the Scheduling Order that contains the Order Setting Procedures for Filing Exhibits Electronically. It includes instructions for how to file exhibits electronically. Beginning three business days before the hearing, the electronic evidence system will not allow parties to upload exhibits unless permitted by the ALJ during the hearing at the ALJ's discretion.

WITNESSES

The parties shall serve their list of witnesses on each other in compliance with Education Code section 56505. No party shall be permitted to call any witnesses not timely disclosed except for good cause shown, supported by written declaration under penalty of perjury, and at the discretion of the ALJ.

Parties are responsible for ensuring that all participants are familiar with and follow the Instructions for Joining the Online Due Process Hearing provided with this Order. Participants who have not previously used the Zoom application, may find informative instructions by visiting, Getting Started with Zoom at https://support.zoom.us/hc/en-us/categories/200101697.

The parties are responsible for ensuring that witnesses join the virtual hearing room at the designated date and time to testify. Witnesses are required to join the due process hearing by computer and appear by videoconference unless they do not have the necessary computer equipment. If a witness does not have the necessary equipment, the ALJ may permit the witnesses to appear by audio only or by telephone. "Audio only" means using a computer without video. A witness's inability to attend the hearing by videoconference will be discussed at the start of the hearing.

The parties are responsible for producing their own witnesses unless otherwise ordered by the ALJ. Parties shall make witnesses under their control reasonably available. The parties must schedule their witnesses to avoid delays in the hearing and to minimize or eliminate the need for calling witnesses out of order.

The ALJ has discretion to limit the number of witnesses and the time allowed for testimony. Education Code, section 56505.1, subdivision (h), empowers the ALJ to set a reasonable limit on the length of the hearing after consideration of four factors. The first two factors are the issues to be heard and the complexity of facts to be proven. The second two factors are the ability of the parties or their representatives to present their respective cases and the parties' estimates of the time needed to present their cases.

MEET AND CONFER

The parties are encouraged to review and shorten their witness and exhibit lists before the hearing. Evidence may be excluded if it is repetitive, cumulative, or insufficiently probative to justify the time it would take to hear.

The parties are ordered to meet and confer no later than 5:00 PM on June 23, 2026, to discuss scheduling witnesses and how much time each witness will take. The parties shall discuss any issues related to counsel and witnesses appearing by videoconference for hearing, electronically viewing exhibits during the hearing, and subpoenas, if any. The parties should attempt to eliminate duplicate exhibits from their hearing exhibits. The parties shall discuss whether they can produce a written stipulation as to pertinent facts, contentions, resolutions and the authenticity and admissibility of documents to shorten the length of time needed for the hearing.

As part of the meet and confer process, Vista shall inform Student which proposed witnesses are its employees. Vista shall also identify the witnesses on

Student's list that require a subpoena. Vista may agree to accept service for a witness under Vista's control or provide Student with the witness's most recent contact information.

Any contact information provided shall be used for the limited purpose of issuing subpoenas or for contacting a witness to attend the hearing. Any contact information shall not be disclosed to any other person.

PARTICIPANT INFORMATION FORM

Both parties have an ongoing obligation to ensure that OAH has current information on the Participant Information Form filed with OAH and shall file an updated Form as necessary. The Participant Information Form is not served upon the opposing party. The ongoing obligation to ensure that the Participant Information Form filed with OAH is current does not change the parties' statutory obligation to timely disclose their witnesses to the other party(s) at least five business days prior to hearing. The parties must file an updated Participant Information Form to inform OAH of any changes, additions, or deletions, including the required information no later than 5:00 PM at least two business days before the first day of hearing.

EVIDENCE PRESENTATION

In an administrative proceeding, the burden of proof is ordinarily on the party requesting the hearing. (*Schaffer v. Weast* (2005) 546 U.S. 49, 62.) In this case, Student requested the hearing and bears the burden of proof. Student's case-in-chief shall be presented first, followed by Vista, unless otherwise ordered.

WITNESS LISTS

The parties must provide a joint proposed witness list to the ALJ on the first day of hearing. The list should include the first and last name of the witness, which party is calling the witness to testify, and include dates and time estimates of each witness's expected testimony. In the event an agreement cannot be reached, each party shall prepare a separate written list. Both parties must have witnesses available in case there is no agreement.

At the beginning of the hearing, the ALJ and the parties will discuss the length of time anticipated for each witness and scheduling issues for individual witnesses. The ALJ will finalize the witness schedule. Parties must be prepared at the end of each day to discuss the witnesses to be presented the next day and the estimated time for the testimony of each witness.

SCOPE OF WITNESS EXAMINATION

Each witness will be called to testify only once, except for rebuttal purposes. All parties must examine a witness on all issues when the witness is first called to testify. Requiring a witness to appear only once takes priority over the order in which parties present their case-in-chief.

AUDIO ONLY OR TELEPHONIC TESTIMONY

Whether a witness may appear by audio only or telephone instead of videoconference is a matter within the discretion of the ALJ. (Cal. Code Regs., tit. 5, § 3082, subd. (g).) Any party seeking to present a witness by audio only or telephone shall request permission to do so before the hearing. Any party seeking to present a

witness who cannot access exhibits electronically must inform the ALJ at the beginning of the hearing.

ELECTRONIC RECORDINGS

AUDIO RECORDING

A party may request permission to make an audio recording of the hearing. Permission to make an audio recording is subject to the ALJ's discretion and based upon the following conditions:

1. the OAH recording is the only official recording;
2. the parties shall turn their recording device on and off at the same time that the ALJ is on and off the record to avoid recording conversations while off the record;
3. operation of the party's recording mechanism will not be allowed to delay the hearing;
4. a party's recording may not be given, provided or played to a witness, or potential witness;
5. the recording is subject to the same confidentiality as the due process hearing; and
6. participants shall not take screenshots of the videoconference nor share or publish any portion of the videoconference or audio recording.

Neither party has made a request to audio record the hearing. If either party wants to record the hearing, the request must be made before the hearing.

VIDEO RECORDING

No party, witness or anyone else may videorecord any part of the proceedings or stream live through any means.

RECORDINGS AS EXHIBITS

Recordings may not be uploaded electronically without the ALJ's permission. The ALJ has discretion to admit or exclude evidence in the form of a recording. Any request to submit a recording shall be considered at the time of hearing.

The ALJ may grant or deny the request or grant the request subject to certain conditions. The party offering the recording must establish that all or a part of the recording is relevant. The ALJ may request a transcript of the portion of the recording requested or have the party offering the recording to provide an exact identifiable portion of the recording the party seeks to admit. The identities of any person speaking on the portion of the tape being introduced must be established. An ALJ may allow the opposing party to offer additional portions of a recording to establish the context, or to rebut, the recording.

COMPENSATORY EDUCATION OR REIMBURSEMENT

Any party seeking reimbursement for expenditures shall present admissible evidence of these expenditures, or a stipulation to the amount of the expenditures. A party seeking compensatory education should provide evidence regarding the type, amount, duration, and need for any requested compensatory education. Documents offered as evidence to support a request for reimbursement must be separated by vendor.
