In the Matter of:	
PARENT ON BEHALF OF STUDENT,	OAH Case No. 2017051293
v.	ORDER OF DETERMINATION OF SUFFICIENCY OF DUE PROCESS COMPLAINT
GARDEN GROVE UNIFIED SCHOOL DISTRICT.	

On May 26, 2017, Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Garden Grove Unified School District. On June 9, 2017, District filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the

DISCUSSION

The facts alleged in Student's complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. District contends Student's Issues Nine and Ten are not sufficiently plead because they do not specify a law that District supposedly violated, nor do they provide enough factual support for District to respond to the allegations. Student's complaint identifies the issues broadly as a denial of a FAPE, and specifically states in Issues Nine and Ten that the alleged denial of FAPE was due to District's withholding of elective classes. Student identifies adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Student specifically states that during the December 3, 2015 individualized education program team meeting District recommended that Student not participate in an elective class.

Among Student's proposed resolutions is that District assess Student for applied behavior services, and to the extent necessary provide such services, provide speech and language therapy, and fund an independent educational evaluation. A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) The proposed resolutions stated in Student's complaint are well-defined requests that meet the statutorily required standard of stating a resolution to the extent known and available to Student at the time.

Therefore, Student's complaint is sufficiently pled.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
