In the Matter of: PARENT ON BEHALF OF STUDENT, v. TORRANCE UNIFIED SCHOOL DISTRICT.	OAH Case No. 2016060847 ORDER OF DETERMINATION OF SUFFICIENCY OF DUE PROCESS COMPLAINT

On June 9, 2016, Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Torrance Unified School District. On June 24, 2016, Torrance filed a Notice of Insufficiency as to Student's complaint.[2]

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and

[1] A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 U.S.C. section 1415(b)(7)(A).

[2] OAH requires that parties file each Notice and each Motion as a separate distinct pleading to ensure that all pleadings are timely addressed. Here, Torrance filed its Notice of Insufficiency together with a Notice of Representation which delayed this order.

mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. DISCUSSION

The facts alleged in Student's complaint are sufficient to put Torrance on notice of the issues forming the basis of the complaint. Student's complaint identifies the issues and adequate related facts about the problems to permit Torrance to respond to the complaint and participate in a resolution session and mediation.

Student identifies three issues for hearing, all of which are sufficiently pled. Student alleges that Torrance denied him a free appropriate public education from June 2014 through the present by: failing to fulfill its child find duties; failing to appropriately assess him in all areas of suspected disability; and failing to design an educational program to meet his unique needs.

Therefore, Student's statement of the three claims is sufficient.

Student's proposed resolutions request independent educational evaluations, behavior therapy and academic services, compensatory education, and attorney fees. A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student has met the statutorily required standard of stating a resolution to the extent known and available to him at the time.

ORDER

1. The complaint is deemed sufficient under title 20 United States Code section 1415(c)(2)(C) and Education Code section 56502, subdivision (d)(1).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
