BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

PARENT ON BEHALF OF STUDENT

v.

GLENDALE UNIFIED SCHOOL DISTRICT

OAH CASE NUMBER 2025110763

ORDER GRANTING REQUEST TO WITHDRAW ACTION WITHOUT PREJUDICE

DECEMBER 16, 2025

On November 18, 2025, Parent on behalf of Student filed with the Office of Administrative Hearing a due process hearing request, which included claims requiring expedited hearing. On December 16, 2025, after the hearing was convened but prior to the commencement of hearing the expedited claims, Parent asked to withdraw the due process hearing request without prejudice to refiling. As the hearing had not begun, the request was timely made and was granted.

Accordingly, the matter is dismissed as withdrawn, without prejudice to refiling. The Office of Administrative Hearing will retain jurisdiction to allow Glendale to file a

motion to shift costs or for sanctions. All dates set for the expedited and non-expedited hearing are vacated, and the matter will be closed.

IT IS SO ORDERED.
