HACIENDA LA PUENTE UNIFIED SCHOOL DISTRICT, v. PARENT ON BEHALF OF STUDENT.	OAH Case No. 2015030389 ORDER GRANTING DISTRCT'S REQUEST TO WITHDRAW AND DISMISSING OAH CASE NO. 2015030389

On April 14, 2015, the first day of hearing in these consolidated matters was convened, the record was opened, and the parties made their respective appearances. Prior to the introduction or receipt of evidence, attorney Ricardo Silva requested that Hacienda La Puente Unified School District's complaint, OAH No. 2015030389, be withdrawn and dismissed.

District filed its complaint to obtain a determination that its speech-language and occupational therapy assessments were appropriate and, therefore, the Student's March 3, 2015, request for District to fund two independent education evaluations should be denied. On March 12, 2015, OAH granted District's request to consolidate its complaint with the Student's matter, OAH No. 2014120050.

Prior to hearing, Student withdrew his request for the independent assessments. Attorney Surisa Rivers, on behalf of Student, affirmed that Student had withdrawn his request and that Student had no intent to seek District funding of the aforementioned independent assessments.

Since there is no request that District fund independent assessments, the District's complaint is unnecessary. Accordingly, the District's request is granted.

ORDER

1. District's request to withdraw its complaint, OAH no. 2015030389, is granted.

2. OAH matter no. 2015030389 is dismissed, without prejudice.

3. Student's complaint, OAH no. 2014120050, shall proceed to hearing.
