LOS ANGELES UNIFIED SCHOOL DISTRICT, v. PARENT ON BEHALF OF STUDENT.	OAH Case No. 2017020037 ORDER DENYING REQUEST TO REOPEN HEARING

On May 22, 2017, Student filed a request to reopen the consolidated hearing on the due process hearing requests filed by District naming Student, and by Student naming District. The hearing in these consolidated matters took place on May 8-10, 2017.

Student's request is based upon events that occurred during and after the consolidated hearing, specifically, that District allegedly: failed to timely hold an individualized education program team meeting and offer an IEP for the upcoming 2017-2018 school year; did not send Parent an assessment plan for assessments for a 2017-2018 IEP; and contacted Student's private school during the due process hearing for an update on Student's academic progress.

In these consolidated matters, District's sole issue was whether District offered Student a free appropriate public education in the IEP of May 26, 2016. Student's issue was whether a series of procedural and substantive errors in the development of the May 2016 IEP resulted in a denial of FAPE for the 2016-2017 school year.

The events identified in Student's request to reopen the hearing are outside the scope of issues alleged in Student's due process hearing request. The alleged actions or omissions of District may be the basis for a new due process hearing request, but they are not relevant to the issues decided in these consolidated matters. Student fails to make a showing that the consolidated hearing should be reopened to address Student's new claims.

Accordingly, Student's request to reopen the consolidated hearing is denied.

IT IS SO ORDERED.
