Administrative Law Judge (ALJ) Robert F. Helfand, of the Office of Administrative Hearings (OAH), Special Education Division, convened a telephonic status conference in this case on June 26, 2013. On June 6, 2013, a Prehearing Conference (PHC) was held where the parties requested that the Due Process Hearing (DPH) be continued until August 6, 2013, to permit COE to conduct a number of assessments, including an Independent neuropsychological assessment, and to conduct an Individualized Education Program (IEP) team meeting.

COE reported that the assessments are in the beginning stages and that they are expected to be completed by the third week of July. The COE also reported that Dr. Jose Fuentes has been designated to conduct the neuropsychological assessment.
