BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

IN THE MATTER OF:

CORONA-NORCO UNIFIED SCHOOL DISTRICT,

v.

PARENTS ON BEHALF OF STUDENT.

OAH CASE NUMBER 2025030208

ORDER REQUIRING COMPLETE PSYCHOEDUCATIONAL REPORT UPLOADED TO CASE CENTER

APRIL 1, 2025

On March 4, 2025 Corona-Norco Unified School District filed a request for an expedited due process hearing, also called an expedited complaint, with the Office of Administrative Hearings, called OAH, naming Student as respondent. Administrative Law Judge Penelope Pahl heard this matter via videoconference on March 25 and 26, 2025.

During the hearing, Corona-Norco requested that District Exhibit 22, the November 11, 2024 Psychoeducational Case Study, be admitted as evidence in the case. The document was admitted with no objection. On review, Exhibit 22 is incomplete, as it is missing pages 10 and 12.

Corona-Norco is ordered to upload a complete copy of District's Exhibit 22 to Case Center as soon as possible, but in no event later than 12 noon, on Wednesday April 2, 2025. The document should be numbered next in order for District's Exhibits. The new document will be admitted instead of District's Exhibit 22. Upon receipt of the complete copy of the Psychoeducational Case Study report District's Exhibit 22 will be excluded. Both sides will have access to the new exhibit when it is uploaded to Case Center and will see it as an Admitted document in the Admitted Exhibits bundle in Case Center.

Should Student object that the new document uploaded by Corona-Norco is not the same as the November 7, 2024 psychoeducational report Parents received, Parents may file an objection to the document uploaded by Corona Norco, no later than Thursday, April 3, 2025. The document should state why they object to Corona-Norco's new psychoeducational study report, and note the pages and paragraphs of any differences. If Parents file an objection, they must attach a copy of the complete report they received, and are asserting is different than the new document uploaded by Corona-Norco.

IT IS SO ORDERED.
