In the Matter of: PARENT ON BEHALF OF STUDENT, v. TORRANCE UNIFIED SCHOOL DISTRICT.	OAH Case No. 2016110660 ORDER OF DETERMINATION OF SUFFICIENCY OF DUE PROCESS COMPLAINT

On November 15, 2016, Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Torrance Unified School District. On November 22, 2016, District filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the

Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge. DISCUSSION

The facts alleged in Student's complaint are sufficient to put District on notice of the issues forming the basis of the complaint. The facts in Student's complaint allege District (1) failed to implement her individualized education plan and failed to hold a 30-day IEP team meeting; (2) failed to assess in all areas of suspected need and offer an appropriate IEP; and failed to provide all of Student's records. Student's complaint identifies the issues and adequate related facts about the problem, and sufficiently defined proposed resolutions to permit District to respond to the complaint and participate in a resolution session and mediation.

Therefore, Student's statement of the three claims is sufficient.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
