In the Matter of: PARENT ON BEHALF OF STUDENT, v. MONROVIA UNIFIED SCHOOL DISTRICT .	OAH Case No. 2018010246 ORDER DETERMINING OF SUFFICIENCY OF DUE PROCESS COMPLAINT

On January 09, 2018 Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Monrovia Unified School District (District). On January 23, 2018, District timely filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings

Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge. DISCUSSION

The facts alleged in Student's complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student is eleven years old. Student resides with his parents within District and attends sixth grade at a District school. In sum, the complaint alleges District failed to provide an individual aide for Student and denied a requested accommodation that was necessary to ensure safe access to his educational program.

Student's proposed resolution requests arefunding for placement at an appropriate non-public school and compensatory services in the form ofspecialized counseling.

Student's complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint, participate in a resolution session and mediation and prepare for hearing. Therefore, Student' statement of the two claims is sufficient.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
