In the Matter of: PARENT ON BEHALF OF STUDENT, v. SAN JUAN UNIFIED SCHOOL DISTRICT.	OAH Case No. 2019020343 ORDER OF DETERMINATION OF INSUFFICIENCY OF DUE PROCESS COMPLAINT

On February 8, 2019 Student filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming San Juan Unified School District. On February 13, 2019, San Juan Unified filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185,

[1] A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 U.S.C. section 1415(b)(7)(A).

supra, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge. DISCUSSION

Student's complaint alleges only one issue in the complaint: the IEP team did not agree to retain Student in the 5th grade, which is insufficiently pled as discussed below. Student's complaint is insufficiently pled in that it fails to provide San Juan with the required notice of the problem and facts relating to the problem. It is unclear whether Student is challenging their right to a free appropriate public education. Student's complaint indicates the disagreement is with Student's grade placement for the 2019-2020 school year and that consent was provided for all other provisions of the IEP. Further, Student failed to provide San Juan with any proposed resolution to Student's issue. Accordingly, San Juan's request to determine Student's complaint insufficient, is Granted.

A parent who is not represented by an attorney may request that OAH provide a mediator to assist the parent in identifying the issues and proposed resolutions that must be included in a complaint. (Ed. Code, § 56505.) Parents are encouraged to contact OAH for assistance if they intend to amend their due process hearing request.

ORDER

1. Student's complaint is insufficiently pled under section title 20 United States Code 1415(c)(2)(D).

2. Student shall be permitted to file an amended complaint under title 20 United States Code section 1415(c)(2)(E)(i)(II).[2]

3. The amended complaint shall comply with the requirements of title 20 U.S.C. section 1415(b)(7)(A)(ii), and shall be filed not later than 14 days from the date of this order.

---

[2] The filing of an amended complaint will restart the applicable timelines for a due process hearing.

4. If Student fails to file a timely amended complaint, the complaint will be dismissed.

5. All dates previously set in this matter are vacated.
