IN THE MATTER OF:

PARENT ON BEHALF OF STUDENT,

v.

VICTOR ELEMENTARY SCHOOL DISTRICT.

OAH CASE NUMBER 2019081037

ORDER REQUIRING SIGNED IEP IN SUPPORT OF MOTION FOR STAY PUT

On August 28, 2019, Student filed a motion requesting that stay put be ordered maintaining his placement in the nonpublic school Leroy Haynes. The motion included an unsigned Individualized Education Program, usually called an IEP, dated March 1, 2019 as Exhibit A. On August 30, 2019, Victor Elementary School District filed an opposition to this motion and, in its papers, questioned whether the attached IEP was Student's last agreed upon IEP, asserting that Victor had been shown a different document by Parents.

In making a determination regarding whether stay put is appropriate, the most recent IEP to which Parents have consented must be reviewed. Given the question that has arisen, the unsigned Attachment A to Student's Motion for Stay

Put is not sufficient to establish Student's last, consented-to IEP. Therefore, no later than noon on Thursday, September 5, 2019, Student is to file a copy of the last IEP Parents signed on Student's behalf. If Victor Elementary has any objection that the document filed is not the last consented-to IEP, they are to serve and file that objection and any supporting evidence by 5:00 PM on Thursday September 5, 2019.

IT IS SO ORDERED.
