In the Matter of: PARENT ON BEHALF OF STUDENT, v. REDLANDS UNIFIED SCHOOL DISTRICT.	OAH Case No. 2019040518 ORDER DETERMINING DUE PROCESS COMPLAINT SUFFICIENT

On April 10, 2019 Parent on behalf of Student (Student) filed a Due Process Hearing Request[1] (complaint) with the Office of Administrative Hearings naming Redlands Unified School District. On April 15, 2019, Redlands Unified filed a Notice of Insufficiency as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides "an awareness and understanding of the issues forming the basis of the complaint." (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the

DISCUSSION

The facts alleged in Student's complaint are sufficient to put the Redlands Unified on notice of the issues forming the basis of the complaint. Student's complaint identifies the Student, the age of the Student, the specific school, and the grade level of the Student. Student's complaint alleges that the individualized education program dated April 13, 2017 and as amended on May 11, 2017, failed to offer Student a FAPE in the least restrictive environment. Student sets forth seven specific "problems" under this issue. Student alleges that the amended IEP dated January 29, 2018, failed to offer Student a FAPE in the least restrictive environment. Student sets forth another ten specific "problems" under this issue.

A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student sets forth seven resolutions, including placement alternatives, education services and therapy, and compensatory education and reimbursement.

Student's complaint identifies the issues, adequate related facts about the problems, and specific resolutions to permit Redland Unified to respond to the complaint and participate in a resolution session, mediation or a due process hearing.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
