On August 6, 2013, the undersigned granted the parties' request for continuance of dates in this matter, except for the request to convene mediation on August 13, 2013. At that time, the Office of Administrative Hearings (OAH) could not accommodate the parties requested mediation date. On August 9, 2013, Student filed a request to reconsider the denial of the requested mediation date. On August 12, 2013, upon review of Student's request, the undersigned mistakenly assumed it was a joint request for reconsideration. Student's request was not a joint request for reconsideration.

Upon examination of OAH's calendar, due to other matters being vacated from the calendar, OAH was able to calendar mediation for the parties on August 13, 2013. Accordingly, OAH set mediation in this matter for August 13, 2013. Shortly after being informed of the new mediation, the Sequoia Union High School District (District) filed an opposition to the mediation request. OAH canceled the newly set mediation of August 13, 2013. Accordingly, the mediation of August 13, 2013, has been vacated. If the parties desire mediation, they may meet and confer and file a joint request to set mediation, and OAH will attempt to accommodate their request.
