EXPRESS TERMS

ITEM 1: CBSC proposes to amend the preface.

PREFACE

This document is the Part 12 of thirteen parts...

...adoption and the required filing.

The referenced standards contained in Part 12 are developed by the state agencies listed herein. The Part 12 Cross Reference Table herein identifies the state agency to which the standard applies, the subject of the standard, and the provisions in other Parts of Title 24 where the application of the standard is required.

Should you find publication...

Authority: Health & Safety Code Section 18929, 18932.
Reference: Health & Safety Code Section 18929, 18932.

ITEM 2: CBSC proposes to add this Cross Reference Table, as an aid to the Code user. The Table will be located between the Table of Contents and the first Chapter. [Note that while the Table is new, underlining of the Table content was omitted here, for clarity]
