****TELECONFERENCE INSTRUCTIONS****

All callers will begin in "Listen Only" mode.

If you wish to make a comment on a specific agenda item, **please listen for the commission chair to ask for any comments from the public.** At this time please place yourself into the queue by pressing 1 and then 0 on your keypad. The chair will take comments from participants in attendance first and then the participants on the telephone.

When you press 1 and then 0, you will hear: "You will be notified when the speaker is ready for your question; to withdraw your question press 1 and then 0."

When it is your turn to comment you will hear: "Please ask your question after the tone." A tone will sound and you are now in "Talk" mode.

The chair will continue through the call queue until there are no questions remaining.

The commission will proceed to the next agenda item.

Note: Please refrain from pressing 1 and 0 multiple times. Doing this toggles your position in and out of the call queue. **Press 1 and 0 only once** and wait for your notification to speak.

Important: Please call the teleconference from a land-line using the telephone handset only. This enhances the commission's ability to hear your comments clearly. Calling from a speaker phone or a cell phone reduces the quality of the audio and makes it much harder for your comments to be heard clearly.
