TELECONFERENCE INSTRUCTIONS

Please mute your phone until prompted by the CAC chair.

If you wish to make a comment on a specific agenda item, please listen for the CAC chair to ask for comments from the public on the phones.

At this time please take yourself off of mute, announce your name and who you are representing before making your comment.

Note: For best results, call from a land-line using the telephone handset only. This enhances the ability to hear your comments clearly. Calling from a speaker phone or a cell phone reduces the quality of the call and is harder to hear your comments.
