CHAPTER 11B – DIVISION 2: SCOPING REQUIREMENTS.

Amend Section 11B Depositories, vending machines, change machines, mail boxes, fuel dispensers, and electric vehicle charging stations.

Item Number 11B.13	Code Section	CAC Action	Agency Response	Public Comments	Annotations	CBSC Action
DSAAC 01/19-11B-13	11B-228.3.2	Further Study	Accept	<p>1st 45-Day Public Comment Natasha Reyes & Dara Schur Recommend: Approve Michael Ellars, Recommend: Further Study Matthew Nelson + 6 others Recommend: Approve as Amended</p> <p>2nd 45-Day Public Comment Comment was submitted during 2nd 45-Day public comment period which was outside of the available public comment period for this item. CalETC, EVCA, ChargePoint, CALSTART, Tesla, EVgo, ABM Industries and Electrify America Recommend: Further Study</p>	<p>Amend section to clarify language to indicate that each combination of charging level and connector type provided constitutes a facility. Comments received at CAC indicate the lack of specific designations of “charging level” renders the language vague and subject to various interpretations. DSA-AC has studied this item and has amended this proposal in response to public and committee comments.</p> <p>Item 11B.44 was sent through a 2nd 45-day public comment period. This section regarding requirements for electric vehicle charging stations was bifurcated from original submittal to be addressed together with items 11B.27 and 11B.44.</p>
