Proposed Building Standard

Title 24 Part #: Part 5
Section #: 4A
Proposing State Agency: OSHPD
This comment is intended for review during: 45-Day Comment Period

Your recommendation based on the criteria of Health and Safety Code Section 18930(a):
Disapprove

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

18930 (a) (3) This change hurts resource efficiency and building system performance. It increases energy use, which is against CA's energy and public health goals. While alignment with 170 is desirable, it should not be as proposed.
