Proposed Building Standard

Title 24 Part #: Part 2

Section #: 1812A.7

Proposing State Agency: Division of the State Architect – SS and SS/CC This comment is intended for review during: 45-Day Comment Period

Your recommendation based on the criteria of Health and Safety Code Section 18930(a):

Approve as Amended

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

Chapter 18A is co-adopted by OSHPD and DSA and Section 1812A consists entirely of co-adopted amendments. OSHPD proposes in the 45-Day Express Terms to strike the identifying text “DSA-SS, DSA-SS/CC, and OSHPD 1 and 4” where it occurs in the title and item #1 of sub-section 1812A.7. Refer to document with the file name “OSHPD 06-21-ET-PT2V2-45Day.docx”. This change is not included in the DSA 45-Day Express Terms; however, DSA should maintain alignment with OSHPD in these regulations. As such, DSA should strike the identifying text as shown in the 45-Day Express Terms document authored by OSHPD.
