### BFO CODE ADVISORY COMMITTEE

**CHAPTER 3 ADMINISTRATIVE REGULATIONS FOR THE OFFICE OF THE STATE FIRE MARSHAL (SFM), ARTICLES 3-1 AND 3-2**

Adopt additional sections listed below

Item Number 1	Code Section	CAC Action	Agency Response	Public Comments	Annotations	CBSC Action
SFM 03/21-1-1	<b>3-101</b>				This added section provides the scope, general requirements for identifying specified state-occupied occupancies. Because this is a new article the regulations provide the groundwork for the regulated community to understand the requirements necessary for compliance. Without this section the regulated community may not recognize what specified state-occupied occupancies entail.	
SFM 03/21-1-2	<b>3-102</b>				This added section provides information on the scope and purpose of specified state-occupied occupancies. The section is provided for clarity and to better assist those entities affected, so they are aware of the state requirements.	
SFM 03/21-1-3	<b>3-103</b>				This added section provides information on who has the authority for enforcement of regulations in Specified State Occupied Occupancies. The section is provided to better assist those entities affected, so they are aware of who has authority to enforce regulations.	

SFM 03/21-1-4	<b>3-104</b>				This added section provides information regarding applicability of building standards with specified state-occupied occupancies. The section is provided for clarity to better assist those entities affected so they are aware of applicability in building standards.	
SFM 03/21-1-5	<b>3-105</b>				This added section provides information regarding approval for the applicability of building standards with Specified State Occupied Occupancies. The section is provided to better assist those entities affected so they are aware applicability of approval process for construction projects following building standards.	
SFM 03/21-1-6	<b>INSPECTOR</b>				Add the definition of an important term used throughout the proposed regulations and include clarifying verbiage to define "Inspector". It is necessary to include this definition to carry out the proposed regulations because the term "Inspector" is used to identify a person approved by the SFM to perform construction inspections.	
SFM 03/21-1-7	<b>PLANS</b>				Add the definition of an important term used throughout the proposed regulations and include clarifying verbiage to define "Plans". It is necessary to include this definition to carry out the proposed regulations because the term "Plans" is used to identify a building drawing of a project.	
SFM 03/21-1-8	<b>SPECIFICATIONS</b>				Add the definition of an important term used throughout the proposed regulations and include clarifying verbiage to define "Specifications". It is necessary to include this definition to carry out the proposed regulations because the term "Specifications" is used to identify written documents to outline job conditions.	

SFM 03/21-1-9	<b>SPECIFIED STATE- OCCUPIED BUILDINGS</b>				The proposed regulation clarifies and adds language that better defines specified state-occupied occupancies which redistributes jurisdiction between local entities and SFM. It is necessary to include this definition to carry out the proposed regulations because the term "Specified State Occupied Buildings" is used to identify buildings that are considered to fall in the perimeter of specified state occupied buildings.	
SFM 03/21-1-10	<b>STATE INSTITUTION</b>				Add the definition of an important term used throughout the proposed regulations and include clarifying verbiage to define "State Institution". It is necessary to include this definition to carry out the proposed regulations because the term "State Institution" is used to identify buildings that are owned or leased by State educational institutions.	
SFM 03/21-1-11	<b>STATE OWNED BUILDING</b>				Add the definition of an important term used throughout the proposed regulations and include clarifying verbiage to define "State Owned Building". It is necessary to include this definition to carry out the proposed regulations because the term "State Owned Building" is used to identify buildings that are owned or deeded to the state.
