

HOMWORK REPORT from May 19, 2022

▶ ACTION ITEMS

- ▶ Identify a code change of interest to your organization and answer four questions. Keep concise (4 minutes).
 - 1) Is the code change an easy to fix this code cycle?
 - If so, how/why?
 - 2) Does the code change need more research?
 - On scale of 1-10? Necessitate a subgroup?
 - 3) Are any code sections obsolete or irrelevant?
 - 4) Provide reference documentation, such as reports, links to reference standards, cost of compliance if applicable.
