Your recommendation based on the criteria of Health and Safety Code Section 18930(a):
Approve as Amended

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

Support all proposed amendments as described in the Additional 15 day express terms and rationale from both CBSC and DSA. These proposals are compliant with the 9 point criteria as cited in the rationale.
