Proposed Building Standard

Title 24 Part #: Part 2

Section #: BSC 04/22

Proposing State Agency: Building Standards Commission This comment is intended for review during: 45-Day Comment Period

Your recommendation based on the criteria of Health and Safety Code Section 18930(a):

Approve

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

We concur with the recommendation of Dr. Daniel Klem and Jim Cubie, J.D. of the Acopian Center for Ornithology, that the proposed action be approved with the understanding that it will be substantially strengthened before it becomes a mandatory regulation for the reasons stated in their comments.
