Your recommendation based on the criteria of Health and Safety Code Section 18930(a):

Approve

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

I approve the proposed revisions as an investment in the future sustainability and resiliency of California through application in building projects and programs.
