Proposed Building Standard

Title 24 Part #: Part 11

Section #: Embodied Carbon proposed revisions for Chapters 2, 5, 6 and 8 Proposing State Agency: DSA and CBSC This comment is intended for review during: 45-Day Comment Period

Your recommendation based on the criteria of Health and Safety Code Section 18930(a):
Approve

In support of your recommendation above, provide the rationale based on the criteria of Health and Safety Code Section 18930(a). If you recommend anything other than approve, cite the criteria in your comment. If you oppose a proposed building standard, offer a solution or alternative for the state agency to consider.

The proposed revisions to Title 24 part 11 referenced above are fully compliant with the criteria stated in Health and Safety Code Section 18930(a). These revisions are critical to meeting California's stated goals for decarbonization.
