

**UPDATED INFORMATIVE DIGEST
FOR PROPOSED BUILDING STANDARDS
OF THE STATE FIRE MARSHAL
REGARDING THE 2025 CALIFORNIA FIRE CODE,
CALIFORNIA CODE OF REGULATIONS, TITLE 24, PART 9
(SFM 03/25)**

The State Fire Marshal finds that REVISIONS have been made which would warrant a change to the Informative Digest contained in the Notice of Proposed Action for 2025 California Fire Code (Part 9, Title 24, California Code of Regulations).

SUMMARY OF THE IMMEDIATELY PRECEDING LAWS AND REGULATIONS

Reference: Government Code Section 11346.9(b)

Insert a concise and clear summary of the immediately preceding laws and regulations, if any, relating directly to the adopted, amended, or repealed regulations in the format of the Legislative Counsel's Digest.

No revisions have been made to the Summary of Existing Laws and Regulations contained in the Informative Digest.

SUMMARY OF EFFECT

Reference: Government Code Section 11346.9(b)

Insert a clear and concise summary of the effect of the adopted, amended, or repealed regulation.

The State Fire Marshal has withdrawn several items that were previously proposed for amendment so there are changes in the Summary of Effect contained in the Informative Digest. The items withdrawn are as follows:

Sub-Items 1-1 through 1-11, 1-13 through 1-18, Item 2 (Sub-Items 2-1 and 2-2), and Item 4 through Item 6, and Item 10.

The general purpose of this proposed action is to amend specific provisions of the 2025 California Fire Code (California Code of Regulations, Title 24, Part 9) based on updated information and recent actions of the State Fire Marshal (SFM). Following further evaluation of the original proposal, certain proposed amendments have been withdrawn. The remaining amendments are intended to improve the clarity, consistency, and usability of existing regulations while maintaining the intent of the California Fire Code.
