full text of the proposed modifications, clearly indicated, will be made available to the public for at least 15 days prior to the date on which CBSC adopts, amends, or repeals the regulation(s). CBSC will accept written comments on the modified building standards during the 15-day period.

NOTE: To be notified of any modifications, you must submit written/oral comments or request that you be notified of any modifications.

AUTHORITY AND REFERENCE

Reference: Government Code Section 11346.5(a)(2).

CBSC proposes to adopt these building standards under the authority granted by Health and Safety Code Section 18949.3. The purpose of these building standards is to implement, interpret, or make specific the provisions of Health and Safety Code Sections 129675-130079.

HCAI is proposing this regulatory action based on Health and Safety Code, Sections 1275, 18929, 18942 and 129850.

INFORMATIVE DIGEST

Reference: Government Code Section 11346.5(a)(3).

Summary of Existing Laws

Health and Safety Code, Section 1275 authorizes HCAI to adopt and enforce building standards for the physical plant of health facilities including hospitals, skilled nursing and intermediate care facilities, licensed clinics, and correctional treatment centers.

Health and Safety Code, Section 18929 requires Office of Statewide Hospital Planning and Development (OSHDP) to submit administrative regulations that directly apply to the implementation or enforcement of building standards to the California Building Standards Commission for the Commission's approval and must be adopted pursuant to Health and Safety Code Section 18930 and the Government Code (commencing with Section 11346).

Health and Safety Code, Section 18942 requires California Building Standards Commission to publish supplements as necessary during an intervening cycle. Changes adopted during the intervening period shall be limited to clarifying, conforming, or coordinating changes that do not materially alter existing code provisions.

Health and Safety Code, Section 18949.3 transfers the responsibilities of HCAI to adopt regulations relating to building standards, to the California Building Standards Commission.

Health and Safety Code, Sections 129675-130079 authorizes HCAI to provide plan review and construction observation for hospitals, skilled nursing facilities and intermediate care facilities to assure that these health facilities are compliant with the California Building Standards Code.

Health and Safety Code, Section 129850 authorizes HCAI to propose building standards, as necessary, in order to carry out the requirements of the Alfred E. Alquist Hospital Facilities Seismic Safety Act.

Summary of Existing Regulations

Title 24, Part 1, California Administrative Code (CAC) contains regulations pertaining to the administrative processes for the design and construction of hospitals, skilled nursing and intermediate care facilities, licensed clinics, and correctional treatment centers.

Summary of Effect

The proposal makes minor editorial and administrative modifications for clarification; provides consistency within Title 24 and provides coordination with Title 22, Licensing and Certification requirements, and includes requirements for laws passed that influence standards.

Comparable Federal Statute or Regulations

There are no comparable federal statutes or regulations related to this proposed action.

Policy Statement Overview

HCAI is responsible for the development of building standards for the physical plant of health facilities including hospitals, skilled nursing and intermediate care facilities, licensed clinics, and correctional treatment centers. The intent of this proposal is to provide editorial and minor technical modifications to administrative regulations for clarification and consistency and includes requirements for laws passed that influence standards.

Evaluation of Consistency

The proposed regulation is consistent and compatible with existing state regulations.

INITIAL DETERMINATION OF NO SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT ON BUSINESSES

Reference: Government Code Section 11346.5(a)(8).

If the agency makes an initial determination that the adoption/amendment/repeal of this regulation will not have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states, it shall make a declaration to that effect.

HCAI has made an initial determination that the adoption/amendment/repeal of this regulation will not have a significant statewide adverse economic impact on businesses, including the ability of California businesses to compete with businesses in other states.

Declaration of Evidence

Reference: Government Code Section 11346.5(a)(8).

In making the declaration, the agency shall provide in the record of facts, evidence, documents, testimony, or other evidence that the agency relied upon to support its initial determination of no effect.

HCAI has not relied on any other facts, evidence, documents, testimony, or other evidence to make its final determination of no statewide adverse economic impact. The scope of the proposed action is to make editorial and administrative modifications to the existing code that are in alignment with current practices, health facility licensing requirements and national referenced standards.

COST IMPACT ON REPRESENTATIVE PRIVATE PERSON OR BUSINESS

Reference: Government Code Section 11346.5(a)(9).

Describe all cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action. If no cost impact, provide the following statement:

HCAI is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

ASSESSMENT OF EFFECT OF REGULATIONS UPON JOBS AND BUSINESS EXPANSION, ELIMINATION OR CREATION

Reference: Government Code Section 11346.5(a)(10).

HCAI has assessed whether and to what extent this proposal will affect the following:

A. The creation or elimination of jobs within the State of California.

The proposed regulations will not create or eliminate jobs within the State of California.

B. The creation of new businesses or the elimination of existing businesses within the State of California.

The proposed regulations will not create new businesses, or eliminate existing businesses within the State of California.

C. The expansion of businesses currently doing business within the State of California.

The proposed regulations will not cause expansion of businesses currently doing business with the State of California.

D. The benefits of the regulation to the health and welfare of California residents, worker safety, and the state's environment.

The proposed building standards and regulations regarding the design and construction of licensed health facilities ensure protection of the public's health, safety, and welfare of California residents through updated amendments. The regulations will not affect worker safety, or the state's environment.

FINDING OF NECESSITY FOR THE PUBLIC'S HEALTH, SAFETY, OR WELFARE

Reference: Government Code Section 11346.5(a)(11).

Any regulation that requires a report shall not apply to businesses, unless the agency makes a finding that it is necessary for the health, safety, or welfare of the public that the regulations apply to businesses.

ESTIMATED COST OF COMPLIANCE OF STANDARDS THAT WOULD IMPACT HOUSING

Reference: Government Code Section 11346.5(a)(12).

These proposed regulations will not result in any cost of compliance that would impact housing.

CONSIDERATION OF ALTERNATIVES

Reference: Government Code Section 11346.5(a)(13).

HCAI has determined that no reasonable alternative considered by HCAI or that has otherwise been identified and brought to the attention of HCAI would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action. In addition, no reasonable alternative considered by HCAI or that has otherwise been identified and brought to the attention of HCAI would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provisions of law.

AVAILABILITY OF RULEMAKING DOCUMENTS
