****TELECONFERENCE INSTRUCTIONS****

Important: Please call the teleconference from a landline using the telephone handset when possible. This enhances CBSC's ability to hear your comments clearly. Calling from a speaker phone or a cell phone significantly reduces the quality of the audio and makes it much harder for your comments to be heard clearly.

If attending via telephone please adhere to the following instructions:

- After dialing in, please **mute your phone** to avoid other participants from hearing background noises.
- If you wish to make a comment on a specific agenda item **please listen for staff to ask for comments from the public.** At this time please **un-mute your phone and speak.** Note there may be multiple callers on the line at the same moment. Staff will take comments from participants in attendance first, and then from participants on the telephone.
- When you have concluded your comment, or finished a discussion with the moderator, please **reset your phone to mute** if you would like to continue listening to the meeting.
