5.410.2 Commissioning

- **Statement of specific purpose, problem, rationale and benefits:**
  CBCS is clarifying that mandatory commissioning measures in section 5.410.2 through 5.40.2.6 apply to occupancies not regulated by the California Energy Commission or other state agencies. CALGreen applies to all occupancies where there is no other state agency that has authority, so this proposed code change will clarify that Calgreen commissioning applies to those occupancies that are not regulated by the California Energy Commission or other state agencies. For example, Institutional Group I, nursing homes, foster care facilities, and jails and Laboratory Group L occupancies; as defined in the *California Building Code*.
