CCDA | California Commission on Disability Access

Agenda Item 5:
2026 Checklist Committee Project Docket

I. Committee Name Change

- Rename the Checklist Committee, effective January 1, 2027.
- Following the Committee vote, the name change will be formally adopted by Commission vote at the October 2026 Full Commission Meeting.

II. Language Access and Translated Resources

- Division on the State Architect (DSA) CASp Documents, CCDA has translated three Certified Access Specialist (CASp) brochures into 17 languages to provide improved support for California's diverse disability and business communities.
- Accessible Parking Campaign (APC) Toolkits, CCDA has translated the two informational toolkits into 17 languages to provide improved support for California's diverse disability and business communities.

III. Olympic Jurisdiction Outreach Plan

- To assess and document CCDA's outreach and preparedness efforts supporting jurisdictions involved in the 2028 Olympic and Paralympic Games by tracking engagement, educational resources, partnerships, and progress toward accessibility readiness.
    - Olympic Jurisdiction Outreach Plan: Documenting identified priority jurisdictions, outreach activities, and gathering of educational resources to support the 2028 Olympic and Paralympic Games

IV. Updating Prior Publications

- Look at all the publications CCDA has to date that are in need of code and regulatory revisions:
  - Accessibility Construction Inspection Checklist
  - Accessibility Compliance for Businesses: Myths and Misconceptions
  - California Consumer Toolkit for The Restaurant Industry
  - Open-Air Dining & Curbside Pickup Disability Access Considerations

V. Myths and Misconceptions Video Series

- A series of educational videos that address common misconceptions about disability access compliance and clarify accessibility requirements for places of public accommodation in California.

VI. Customer Interaction Quick Reference Guide Series

- As a collection of resources and information on promoting accessible and inclusive customer service practices across industries:
  - Overview of Accessible Routes and Service Access Toolkit
  - Disability Etiquette Quick Tips
  - General Guidance for Any Disability
  - Creating Accessible Social Media Posts Quick Tips
