

Agenda Item 5:
CCDA's Outreach
Accessible Parking Campaign (APC) Guide Translations

**CCDA Accessible Parking
Campaign Guide Translations**

Now available in 17 languages!

To read, including downloadable versions of CCDA's two
accessible parking guides, visit:

www.dgs.ca.gov/CCDA/Resources/Guide-to-Accessible-Parking

The graphic features a dark blue background with a white checkered pattern. At the top, the title "CCDA Accessible Parking Campaign Guide Translations" is written in large, bold, white letters. Below the title, there are four small images of the guide covers in Spanish, English, and Chinese. At the bottom, the text "Now available in 17 languages!" is written in large, bold, white letters. Below this, the text "To read, including downloadable versions of CCDA's two accessible parking guides, visit:" is written in white. At the bottom, the URL "www.dgs.ca.gov/CCDA/Resources/Guide-to-Accessible-Parking" is written in white. At the very bottom, the CCDA and DGS logos are displayed.

Alt-Text: Post reads from top to bottom: CCDA Accessible parking campaign guide translations. Now available in 17 languages! To read, including downloadable versions of CCDA's two accessible parking guides, visit:

www.dgs.ca.gov/CCDA/Resources/Guide-to-Accessible-Parking.

The background is blue with a checkered transparent overlay. Above it reads, "CCDA Accessible parking campaign guide translations." Below are cover images of CCDA Accessible parking campaign guides in English, Spanish, and Chinese. Underneath it reads, "Now available in 17 languages! To read, including downloadable versions of CCDA's two accessible parking guides, visit: www.dgs.ca.gov/CCDA/Resources/Guide-to-Accessible-Parking." At the bottom is the California Commission on Disability Access and Department of General Services logo.

The California Commission on Disability Access has translated "Guide to Accessible Parking: Business Owners and Operators" and "A Guide to Accessible Parking for the Construction Industry" into 17 languages to provide improved support for California's diverse disability and business communities.

These translated resources are now available in the following languages:

- Arabic
- Armenian
- Farsi
- Hindi
- Hmong
- Japanese
- Khmer
- Korean
- Lao
- Punjabi
- Russian
