2026 CCDA Commission to Community Event Los Angeles Disability Compliance at Places of Business to Improve Access for All

Join the California Commission on Disability Access (CCDA) Commission to Community Event in Los Angeles for a discussion on disability access and resources for ensuring businesses are accessible to serve all customers.

In collaboration with the City of Los Angeles Department on Disability and the Los Angeles Public Library, this hybrid event with both in-person and virtual participation, will bring together small business owners, people with disabilities, and community members for a meaningful conversation about advancing access and inclusion across Los Angeles.
