

Agenda Item 6: 2026 Legislative Committee Project Docket

I. Informational Materials to the State Legislature and Stakeholders

These contain two documents which are the following:

- Legislature Informational Sheet
 - An overview of CCDA's role and how CCDA supports the State Legislature on disability access issues.
- Meet the CCDA Commissioners
 - Introduces the members of the CCDA and their relevant subcommittee assignments.

II. Consumer Advocacy and Resource Toolkit

- Provides information on disability access rights, connects individuals with community resources, and promotes inclusive, accessible experiences for all.
- CCDA will work to translate the finalized document into 17 languages to provide improved support for California's diverse disability and business communities.

III. What Would You Do? Demand Letter Edition

- Information for business owners on steps to take after receiving a disability access demand letter.
- CCDA will work to translate the finalized document into 17 languages to provide improved support for California's diverse disability and business communities.
