

**Business Community Stakeholder Summit: Sharing Perspectives to Inform
CCDA's Strategic Plan**

Date: Tuesday, February 24, 2026, 10:00 a.m. to 11:30 a.m.

CCDA invites members of the business community to participate in a Business Community Stakeholder Summit as part of our ongoing strategic planning process. CCDA is currently developing a five-year Strategic Plan that will be completed in 2026 and will guide the Commission's work through 2030.

This summit is intentionally designed as a facilitated listening and discussion session to gather perspectives from business stakeholders that may help inform this process. It is not intended to present a draft plan or predetermined priorities.

The summit will provide an opportunity for business stakeholders to engage in dialogue with one another and share insights related to accessibility, compliance, and partnership with CCDA. Input shared during the discussion will be considered alongside other stakeholder feedback as CCDA continues to refine its strategic direction.

This summit will be held on Zoom:
