

## **Disability Community Stakeholder Summit: Sharing Perspectives to Inform CCDA's Strategic Plan**

**Date: Thursday, February 26, 2026, 1:00 p.m. to 2:30 p.m.**

CCDA invites members of the disability community to participate in a Disability Community Stakeholder Summit as part of our ongoing strategic planning process. CCDA is currently developing a five-year Strategic Plan that will be completed in 2026 and will guide the Commission's work through 2030.

This summit is intended as listening-focused, facilitated conversation that creates space for members of the disability community to share experiences, perspectives, and priorities. It is not a presentation of a finalized plan. This discussion will support CCDA's efforts to better understand community perspectives related to access, inclusion, and equity. Feedback gathered during the summit will be considered as one component of the border strategic planning process.

**This summit will be held on Zoom:**
