

How to Look Up a Project in DSA Project Status

Use the steps below to locate project information in Project Status eTracker. Choose the section that applies to the type of project you are searching for.

Section A. eTracker Projects have 6-digit App IDs

Section B. Pre-eTracker Projects have 4- or 5-digit App IDs (projects received prior to November 1997)

Section A. eTracker Projects

1. Click on the link for Project Status eTracker

The screenshot shows the top navigation bar with the following items: Home, Project Status eTracker, Inspectors, Accepted Labs, Plan Review Fee Calculator, Project Status Pre-Tracker, and Help. The main content area is titled "eTracker" and contains a section for "DSA's On-line Project Tracking System". A red arrow points to the "Project Status eTracker" link in this section. Below this link is a list of other tracking systems: School Construction Inspectors, Materials Testing Laboratories, Plan/Field Review Fee Calculator, Project Status Pre-Tracker, and Information for Users. On the right side, there are "DGS Links" (DGS Home, DSA Home, DSA News) and "Tracker Links" (Project Status Home).

2. Select the appropriate search option:

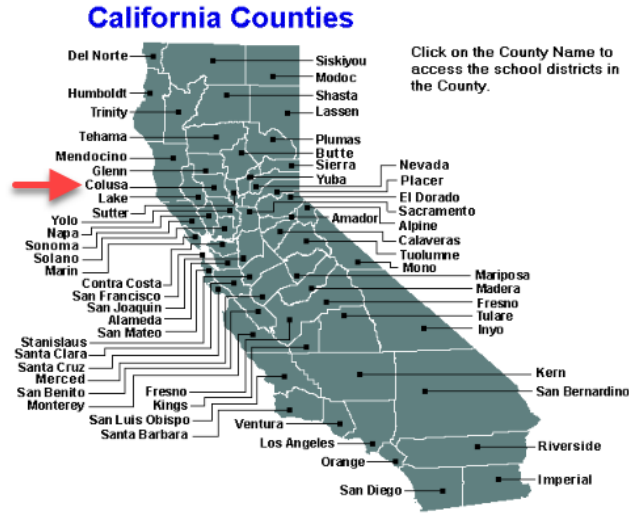

- For K–12 schools, click Search School Projects by County/School District.
- For Community Colleges, click Search for Community College Projects.

The screenshot shows the "Project Status eTracker" page with a navigation bar similar to the previous one. The main content area is titled "Project Status eTracker" and contains a section for "Finding a School or Public Building project in eTracker". It explains that project application numbers are composed of two components and provides an example. It also mentions that projects can be found by identifying the county. A note states that eTracker only contains projects submitted on or after November 12, 1997. A list of search options is provided, with red arrows pointing to "Search School Projects by County/School District" and "Search for Community College Projects". On the right side, there are "DGS Links" (DGS Home, DSA Home, DSA News) and "Tracker Links" (Project Status Home).

3. For k-12 schools, find and select the county using the map or chart below.
Community Colleges skip to step 4.

Search School Projects by County/School District

California is divided into 58 counties. To view county projects,
 click on the county name or area on the map below,
 or use the alphabetical [County List](#) below map.
