

DSA 20/20

FOCUS ON THE FUTURE

DIVISION OF THE STATE ARCHITECT
DEPARTMENT OF GENERAL SERVICES

DSA 20/20: Focus on the Future will not only address improving efficiency with plan review, but also provide opportunities to discuss the state's entire school construction process and future trends and methods of school construction. Presentations will address the key phases of school construction requiring interaction with the state.

Information from the various sessions will be beneficial for all levels of stakeholders ranging from school district executives and design firm principals to working level construction and administrative staff.
